## **1.7 Partnership with Union**

1.7.1 The parties recognise the value in their ongoing and productive relationship, including their joint efforts to build an environment in which the teaching profession is highly regarded, sustainable, and is fit for now and the future of learning and that collective bargaining is a key part of those joint efforts.

1.7.2 In recognition of the benefits arising out of the parties' relationship, including PPCBU's role in negotiating terms and conditions for primary principals and the contribution of PPCBU and its members to the ongoing COVID-19 pandemic response, the parties agree that all full-time principals who are members of PPCBU as at 5 April 2023 and are bound by the

PPCA- PPCBU are entitled to receive a one-off gross payment of \$750. The payment will be pro-rated for part-time principals based on their full-time teacher equivalent (FTTE) as at 5 April 2023.

1.7.3 Members of PPCBU who are bound by the PPCA - PPCBU as at 5 April 2023 and on that day were on approved leave under Part 7 of this collective agreement are entitled, upon application, to receive the one-off gross payment of \$750 on their return providing that they return to their position on or before Term 2, 2023, or before Term 4, 2023 for those on parental leave.

Note: Clauses 1.7 and 1.8 will be removed in subsequent collective agreements.

## **Part 2: General Provisions**

Primary Principals' (PPCBU) Collective Agreement  
Effective: 1 December 2022 to 1 May 2025

### **2.1 Good Employer/Equal Employment Opportunities**

2.1.1 Attention is drawn to Section 597 of the Education and Training Act 2020 which outlines the responsibilities of the employer with regard to the operation of a personnel policy that complies with the principles of being a good employer and the equal employment opportunity responsibilities of the employer.

### **2.2 Appointments**

#### **2.2.1 Advertising Positions**

All positions of at least one years' duration must be advertised nationally.

#### **2.2.2 Permanent Positions**

All appointments to advertised positions shall be permanent unless there are genuine reasons on reasonable grounds for appointing for a fixed term e.g long-term relieving positions and positions about to be disestablished.

**Note:** As intended in the Education and Training Act 2020 and Education (School Staffing) Orders, a principal means one person is employed in the principal role. This would exclude co-principal arrangements. For clarity, co-principal means two

or more full time teachers employed jointly who alternate the role of principal in one school.

### 2.2.3 Appointments Process and Criteria

(a) Attention is drawn to the section 603 of the Education and Training Act 2020 insofar as it provides that the person best suited to the position shall be appointed. In applying that provision the employer will have regard to the experience, qualifications and abilities relevant to the position and such other relevant matters as it determines.

(b) Employers are required to make available to all applicants, on request, details of the duties to be carried out and the criteria for an appointment.

(c) Equal employment opportunities principles shall be applied and demonstrated in appointments procedures. The intent of these principles is to provide equal access and consideration and equal encouragement in areas of recruitment, selection, promotion and career development. These principles are to be applied to enable people to pursue their careers without their chances being reduced by factors which are irrelevant to the requirements of the position.

## 2.3 Re-entry after Absence Due to Childcare

2.3.1 A principal who resigns from a position to care for pre-school children may apply to re-enter the service under preferential provisions subject to clause 2.2, provided that:

The absence does not exceed four years from the date of resignation, or five years from the date of cessation of duties to take up parental leave.

The applicant must:

produce a birth certificate for the pre-school child;

sign a statutory declaration confirming that absence has been due to the care of a pre-school child and paid employment has not been entered into for more than 15 hours per week during that absence.

2.3.2 Where the applicant meets all the provisions of clause 2.3.1 and at the time of application:

has the necessary skills to competently fill a vacancy which is available in the service; and  
the position is substantially the same in character and at the same or lower salary and/or within the same grade (roll band) as the position previously held, then the applicant is to be appointed in preference to any other applicant for the position.

2.3.3 The period of preferential appointment expires 3 months after the period in clause 2.3.1(a).

2.3.4 Absence for childcare reasons will interrupt service but not break it. The period of absence will not count as service for the purposes of sick leave or annual leave or any other leave entitlement.

## 2.4 Hepatitis B Immunisation

2.4.1 The parties agree in principle that responsibility for pre-exposure immunisation of principals rests with employers who should accept responsibility for safety in the workplace, and who will be advised as necessary by the Ministry of Health or the Ministry of Business, Innovation and Employment.

2.4.2 In situations where principals may be at significantly increased risk of acquiring hepatitis B because of the nature of their job, the situation shall be assessed on an individual basis to decide if immunisation would be appropriate. The parties do not envisage that immunisation programmes would be set up to cover all principals covered by this Agreement. Only those working in an area with a high incidence of hepatitis B may receive immunisation.

2.4.3 In all situations where a risk of being infected by the hepatitis B virus exists, it shall be the duty of employers to require safe working practices on the part of the principal and to ensure appropriate hygiene measures to reduce such risk to a minimum, whether or not immunisation is considered advisable.

## **2.5 Personal Files**

2.5.1 The employer shall ensure that personal files are held in a secure place and access is confined to authorised personnel and the principal concerned.

2.5.2 Attention is drawn to the [Privacy Act 2020\(external link\)](#) which outlines responsibilities for the collection, storage and availability of personal information.

## **2.6 Access**

2.6.1 A representative of the union shall be entitled to enter at all reasonable times upon the premises for purposes related to the employment of its members or for purposes related to the union's business or both. The representative shall enter at a reasonable time and in a reasonable way and comply with existing safety, health and security procedures and requirements applying in respect of the school.

## **2.7 Union Deductions**

2.7.1 Any employer, when requested in writing by the secretary of the union, shall, within one month after the receipt of such request, supply to the union the name of the principal coming within the scope of this Agreement when in their employ (but such request shall not be made to the employer at intervals shorter than six months).

2.7.2 In accordance with authorities signed by the individual principal the employer shall arrange for the deduction of union subscriptions for union members covered by this agreement except in cases agreed to between the employer and the union.

2.7.3 Except as may be otherwise agreed, the commission payable by the Union for this service shall not exceed 2.5 per cent of the aggregate sum of the amount deducted.

## **2.8 Health and Safety and Wellbeing**

The parties recognise the importance of ensuring good and safe working conditions through health and safety in the workplace and that it is a mutual obligation of the employer and principal to achieve this through a participative approach.

To this end attention is drawn to the **Health and Safety at Work Act 2015(external link)**. This Act, and other legislation, relevant Codes of Practice and Guidelines are reference points for a gaining common understanding of what those obligations are, what will assist in meeting those mutual obligations and also in promoting best practice.

Where a principal's health and safety is shown to be at risk in the carrying out of their duties the employer shall take all reasonable steps as are necessary to remove or minimise the identified risk for the principal and if appropriate, to do so in consultation with the relevant health and safety authorities.

## **2.9 Secondments**

2.9.1 Except where specified otherwise service while on secondment to a Specified Education Sector Agency will be recognised as a principals' service within the Education Service.

2.9.2 Before the commencement of any secondment, a Secondment Agreement will be entered into for each Secondment between the principal, their employing Board and the Specified Education Sector Agency to which the principal will be

seconded. The Secondment Agreement will detail the conditions associated with that secondment.

## **Part 3: Hours of Work**

Primary Principals' (PPCBU) Collective Agreement

Effective: 1 December 2022 to 1 May 2025

### **Part 3 Hours of Work**

3.1.1 It is acknowledged that principals are often required to undertake duties outside of the hours that the school is open for instruction. Such duties include:

- preparation, evaluation and assessment work generated by classes/sessions and the students within them, or by other requirements such as the need to report on the progress of individual students;
- counselling of students;
- management and administrative responsibilities;
- attending courses and meetings;
- professional development.

This factor has been taken into consideration in determining the hours of work and leave entitlements of these principals.

3.1.2 Principals shall work such hours as may be reasonably required to enable them to properly fulfil their responsibilities whether or not such hours may exceed 40 hours per week.

## **Part 4: Professional Leadership and Annual Performance Review**

Primary Principals' (PPCBU) Collective Agreement

Effective: 1 December 2022 to 1 May 2025

### **4.1 Professional Growth Cycle**

#### **4.1 Professional Growth Cycle**

4.1.1 The principal shall participate in an annual Professional Growth Cycle and be issued with an annual statement as set out in the Elements for the Professional Growth Cycle for Principals, Tumuaki and ECE Professional Leaders agreed by the profession: <https://teachingcouncil.nz/professional-practice/professional-growth-cycle/>.

### **4.2 Clarification of relationship between Professional Growth Cycle and performance processes**

4.2.1 The Professional Growth Cycle is different to, and shall be kept separate from, any processes relating to the principal's performance (as set out in Part 8 of this agreement).

### **4.3 Working Relationship**

4.3.1 Where there is a problem in the working relationship between the principal and the Board (including individual Board

members) that has not been informally resolved and is to the detriment of the school, the Board, in consultation with the principal, may consider appointing a suitably qualified independent person to mediate or facilitate between the parties and/or undertake an impartial and objective assessment of the concern(s).

#### 4.4 Primary Principals' Career Structure

##### 4.4.1

This clause outlines a career progression for primary principals who meet the progression criteria as affirmed by their Board in accordance with clause 4.4.1(d). Payments made under this clause are to encourage and recognise individual professional growth, leadership and contribution of a primary principal. Having met the relevant service criteria set out in clause 4.4.1(g), the timing as to when to seek affirmation against the applicable career structure criteria will be established by the Board and the principal.

Provided that the principal has successfully completed a Professional Growth Cycle and has been provided with an annual statement as in clause 4.1.1 within the last 12 months, and met the progression criteria in clause 4.4.1(g), principals covered by this Agreement will be entitled to a career allowance based on clauses 4.4.1(c)-(n).

The principal will assemble and present a portfolio of evidence relevant to the profession criteria to the Board. The portfolio may include evidence such as compliance with ERO improvement recommendations for the school, outcomes of professional learning and/or sabbaticals, goals reflected in the school charter, including strategies for improvements to student learning that reflect the principles of the New Zealand curriculum documents.

The Board is responsible for affirming that the principal meets the progression criteria in clause 4.4.1(g), after which one of the following career allowances in (f) shall be made and will be paid fortnightly.

A principal can only receive one payment under 4.4.1(f) at any one time. The payment will be prorated for part-time principals.

The career allowances for each stage are as follows:

Primary principals who meet the progression criteria for stage one will be entitled to an annual career allowance.

The rate of the allowance is \$3,641.

Primary principals who meet the progression criteria for stage two will be entitled to an annual career allowance.

The rate of the allowance is \$6,763.

For the purposes of clause 4.4.1, continuous service is not broken by a gap in principalship of up to three years. Service as a principal in a New Zealand state or state-integrated school shall be included in the calculation of service

under the service criteria. A special case may be made by a Board to the Ministry of Education | Te Tāhuhu o te Mātauranga to have other principal service included in the calculation of service provided that at the time of applying the principal has completed at least a year in a New Zealand state or state-integrated primary school.

Service will not be counted for periods of time spent:

- on leave without pay, other than when on secondment to a Specified Education Sector Agency;
- on secondment;
- other than as a principal in another school, or
- to a Specified Education Sector Agency
- as supernumerary in a teaching role;
- as a relief or acting principal (except where the acting or relief principal moves directly to a substantive principal role. Note the acting or relief role need not be in the same school as the new substantive role).

When there is a break of three years' or more service before reappointment as a primary principal, previous experience as a principal in a New Zealand state or state-integrated primary and/or area school shall be credited as one half year of service for each complete year of principalship (that would otherwise be eligible as service for this allowance), allowing the principal the possibility of moving directly to any of the three career stages providing she/he meets the relevant professional criteria (to which the Board has attested), provided that:

- at the time of eligibility she/he has completed one year in their current position;
- that while they were on the break for three years or more the principal consistently maintained their teacher

Where the principal does not meet these requirements, three years' service must be completed prior to the previous experience as a principal being credited as one half year of service for each complete year of principalship (that would otherwise be eligible as service for this allowance).

Principals who have met the service criteria of stage one (or higher) but have not participated in a First Time Principals' Programme or similar and who are no longer eligible to do so shall demonstrate through their professional learning and development plan that they have participated in professional learning activities similar to the First Time Principals' Programme.

A principal who is undergoing corrective action pursuant to clause 8.3.2 or 8.4 of this Agreement shall not receive the career allowance from the commencement of the procedure until such time as the corrective action has successfully been completed at which time the career allowance recommences.

To maintain eligibility for the career allowance, every three years the principal's Board must re-affirm that the principal meets the progression criteria and completed a Professional Growth Cycle within the previous 12 months (consistent with clause 4.1).

Where a principal was in receipt of one of the allowances in clauses 4.4.1(f) and is appointed to a new primary school, that principal shall continue to receive that allowance provided the Board affirms that, as part of its appointment process, it satisfied itself that the principal meets that applicable progression criteria.

The parties acknowledge that receipt of this payment will not affect the Ministry | Te Tāhuhu o te Mātauranga's response to applications for Ministry | Te Tāhuhu o te Mātauranga concurrence for further additional payments for specialist residential school principals.

## **4.5 Professional Standards**

4.5.1 The professional standards, outlined in Schedule 2 of this Agreement, were developed following consultation with sector unions, the New Zealand Principals' Federation (NZPF) and the New Zealand School Trustees Association (NZSTA) in accordance with section 599 of the Education and Training Act 2020. The professional standards provide clarity about professional expectations for principals. If the Board has any concerns regarding the competence of a principal, the provisions in Part 8 of this Agreement will apply.

## **4.6 Community of Learning | Kāhui Ako leadership role**

4.6.4 The period of appointment to the role will be determined by the Community of Learning | Kāhui Ako subject to the agreement of the principal and employing Board. The period will be up to two years, subject to clauses 4.6.6, 4.6.8 and 4.6.9 below.

4.6.5 Where a Community of Learning | Kāhui Ako cannot select one principal from within the Community of Learning | Kāhui Ako to the role or seeks different arrangements for the appointment, the Secretary may agree to alternatives to appointing one principal and/or the fixed period of the appointment. This may result in alternative arrangements for the payment of the allowance outlined in clause 4.6.3 above and for the provision of the time allowance outlined in clause 4.6.7 below and/or a different term for the appointment as outlined in clause 4.6.4 above or clause 4.6.6 below.

4.6.6 A Community of Learning | Kāhui Ako may decide the appointment will be extended beyond the agreed period in clause 4.6.4 above, for a maximum of two years depending on progress with the shared plan and inquiry, subject to the agreement of the principal and employing Board.

4.6.7 The employing Board will receive additional 0.4 FTTE staffing for the period of the appointment to enable the leadership functions to be fulfilled.

4.7.3 The period of appointment will be for a fixed period of up to two years which will be determined by the Community of

Learning | Kāhui Ako according to its shared achievement plan, subject to the agreement of the principal and the employing Board and to clauses 4.7.4 and 4.7.5 below.

#### **4.8 Professional coaching support for principal leadership role**

4.8.1 In each of 2023 and 2024, principals can access an entitlement of up to \$6,000 per annum for professional coaching and support for their leadership role. The purpose of this support is to ensure principal leadership development and wellbeing.

4.8.2 The \$6,000 fund will be a line item tagged in operational funding for the purposes of professional coaching and support for the principal.

4.8.3 Accessing this entitlement does not prevent a principal and school board agreeing that the principal can access additional coaching and support in excess of \$6000.

4.8.4 This entitlement will be used in the school year that it falls due unless otherwise agreed in writing between the principal and their employer.

4.8.5 Principals shall make an annual declaration to the board regarding their uptake and use of the funds. The declaration shall be made no later than the last day of Term 4 each year.

## **Part 5: Remuneration**

Primary Principals' (PPCBU) Collective Agreement

Effective: 1 December 2022 to 1 May 2025

### **5.1 Unified Pay System**

5.1.1 The purpose of this clause is to maintain a Unified Pay System for principals in the state and state integrated compulsory education sector. The Unified Pay System applies to the roll-based, Equity Index and staffing components of principals' remuneration.

#### **5.1.2 Mechanism**

The Secretary shall, within one month of ratification of any collective agreement (or relevant variation thereof) applicable to principals of secondary schools in the state and integrated school sector, notify the PPCBU Head of Union of any changes to the roll-based, staffing-based, or Equity Index payment components of principals

remuneration and offer such changes to principals covered by the PPCA-PPCBU.

PPCBU Head of Union shall, within one month of receipt of the offer described in clause 5.1.2(a), advise the Secretary whether PPCBU Head of Union wishes to accept such offer. The parties agree that upon receipt of PPCBU's acceptance of the offer the PPCA-PPCBU shall be deemed to be varied pursuant to clause 1.6 in the terms outlined in the offer as advised by the Secretary.

5.1.3 Clause 5.1 shall apply from 1 December 2022 to 1 December 2024. Thereafter this clause will cease to apply and shall have no effect.

5.2.3 Staffing based salary component

In addition to the school roll-based salary component specified in clause 5.2.2, the salary of principals shall include the staffing-based salary component calculated according to the following formula:

TOTAL TEACHER STAFF (TTS)	RATES EFFECTIVE 20 AUGUST 2021
≤ 13	$(\$822 * TTS) + \$3,201$
> 13	$(\$162 * TTS) + \$12,231$

The staffing based salary component is based on total teacher staffing that includes entitlement, attached and additional staffing, in addition to entitlement staffing transfer, teacher specific time allowances and staffing for attached units under Boards as determined in the Ministry staffing notice. It does not include teachers who may be employed above entitlement from a Board's operations funding.

Total teacher staff shall be based on the greater of the provisional (September) staffing roll or the confirmed (March) staffing roll which is determined annually.

5.2.4 Principals in schools with an Equity Index number of 478 to 569 shall be paid an Equity Index payment, which will be calculated by multiplying the Equity Index number of the principal's school by nine. The calculation of the Equity Index payment be undertaken annually.

Where a principal's remuneration is reduced either:

In the translation from the previous decile-based payment to the Equity Index payment, or;  
Because the annual Equity Index review process results in their school falling below the Equity Index number of 478 that entitles them to an Equity Index payment;

Then their salary will be protected for 24 months from the effective date of the change.

**Note:** 5.2.4(i) will be deleted from subsequent collective agreements.

#### 5.2.5 Leadership in Literacy and Numeracy

A principal covered by this Agreement shall be entitled to a base per annum payment and a further per annum payment (based on entitlement teachers only, as determined in the annual provisional staffing notice). The base per annum payment is \$2,320. The further per annum payment is as follows:

U1 – U5 school - \$100 per entitlement teacher

U6 school - \$80 per entitlement teacher

U7 school and above - \$60 per entitlement teacher.

These payments are in recognition of the work that principals do to lead, develop and implement programmes to increase literacy and numeracy and to implement the NZ Curriculum and/or Te Reo Māori i roto i Te Marautanga o Aotearoa. A principal who receives this payment shall not be entitled to receive a Leadership payment under any other principal collective agreement. This payment is payable fortnightly.

For clarity, "entitlement teachers only" shall mean the school's total staffing entitlement minus one. It shall not include attached or additional staffing.

#### 5.3 Definition of Roll

5.3.1 For the purposes of determining a principal's U grade as per clauses 5.2.2 and 5.2.4 "roll" shall mean the greater of the provisional (September) staffing roll or the confirmed (March) staffing roll, as determined by the relevant Staffing Order in Council, except that students who are included in the Ongoing Resourcing Scheme (at 1 July for the September school roll purposes) shall be counted on the following basis:

Students classified as "very high" under the Ongoing Resourcing Scheme shall be counted as six instead of one;  
Students classified as "high" under the Ongoing Resourcing Scheme shall be counted as three instead of one.

Except that:

Students at Westbridge Residential School will count as six instead of one;  
Students at Salisbury and Halswell residential schools who are not included in the Ongoing Resourcing Scheme will count as three instead of one;  
Students at Van Asch and Kelston residential schools who are not included in the Ongoing Resourcing Scheme will count as one.

## **5.4 Salary Protection**

### **Grading Changes**

5.4.1 Where the appropriate base salary of a principal (as specified in clause 5.2.2) changes as a result of a drop in grade of the position and the principal's existing base salary exceeds the rate for the new grade; and the change in grade is contained in the September Staffing Notice, and is not countered by an increase generated in the 1 March roll, the principal's salary above the rate for the new grade will be protected for a period of 24 months from the beginning of the school year that follows the September Staffing Notice. After the 24 month period of salary protection, the principal shall be paid no more than the rate for the new grade. Salary protection under this clause shall lapse if the principal accepts an alternative position.

5.4.2 Where a grading reduction determined by the September provisional roll, is countered by a grading increase generated by the 1 March roll, the U grade of the principal reverts to the previous higher U grade and the associated salary protection ceases.

5.4.3 Where the grade of a position increases, and this increase is contained in the September Staffing Notice, the principal will move to the new rate at the beginning of the new school year.

5.4.4 For the avoidance of doubt, the base rate for the purposes of salary protection in clause 5.4.1 includes the base salary according to U grade weighting (roll size), but does not include the salary generated by the supplementary formula in clause 5.2.3 (FTTE size).

## **5.5 Payment of Salaries**

### **5.5.1 Basis of Calculation**

The salaries of principals shall be paid fortnightly and the gross salary for a full pay period is calculated as 14/365ths of the annual salary rate. For broken periods the calculation is the number of days due multiplied by the annual rate and divided by 365. Gross salary comprises all salary and allowances (temporary and those paid on a regular basis).

### **5.5.2 Method of Payment**

Salaries shall be paid fortnightly by direct credit to the principal's nominated bank account.

### 5.5.3 Holiday Pay

Holiday pay at the rate of 30 per cent of salary shall be based on the school year and shall not be payable beyond 27 January. For holiday pay purposes, teaching service shall comprise all paid service including weekends and statutory holidays, but not school vacations.

## 5.6 Retirement Savings

5.6.1 Principals are eligible to join a KiwiSaver scheme in accordance with the terms of those schemes.

5.6.2 Employer or government contributions to retirement or superannuation schemes which are closed to new members (and include the Teachers' Retirement Savings Scheme and the Government Superannuation Fund), shall continue in accordance with the terms of those schemes.

5.6.3 Where government or employer contributions are made to another retirement or superannuation scheme of which a principal is a member, then that principal is only eligible to receive employer or government contributions to a KiwiSaver scheme to the extent that those combined contributions equal the minimum KiwiSaver employer or government contributions. If the government or employer contributions made to another retirement or superannuation scheme of which a principal is a member equal or exceed to the full minimum KiwiSaver employer or government contributions, then that principal is not eligible to receive employer or government contributions to a KiwiSaver scheme.

#### 6.2.8 Compassionate Grant

A compassionate grant shall be paid by the employer to a partner, or if there is no partner, to the next of kin of a principal who dies while employed in the state teaching service. Compassionate grants are calculated as a proportion of the annual rate of salary (including any permanent salary allowances) payable to the principal at the time of death as follows:

LENGTH OF SERVICE (IN NEW ZEALAND STATE SCHOOLS)	PROPORTION OF ANNUAL SALARY RATE
20 years or more	One-eighth
10 years but less than 20 years	One-twelfth
Under 10 years	No grant payable

For the purposes of this clause, "service" means service in New Zealand state or state-integrated schools. Service must be continuous except that intervals of up to one year may be bridged and service aggregated, but the intervals do not count as service. If an interval exceeds one year the qualifying service commences afresh after the interval.

#### 6.2.9 Grandparented Service Increment

A permanent Principal on 1 July 1992 who received a service increment shall maintain that entitlement while the Principal remains in a position covered by this Agreement, of \$1,641 per annum.

Teachers or Principals from area or secondary schools who were in receipt of a service increment under their appropriate Agreement as at 10 September 1992 who then transfer to the primary service shall receive the primary service increment of \$1,641 per annum.

A short break in service (being less than six months) for any Principal in receipt of the service increment will not affect eligibility for the service increment.

Approved paid leave and unpaid leave, parental leave, and leave for childcare purposes of less than five years will not affect eligibility for the service increment.

Teachers or Principals who move from employment with one board to another board will continue their entitlement to the service increment unless there is a break in service of six months or more (other than a period of leave described in clause 6.2.8(d)).

#### 6.2.10 Specialist School Principals' Allowance

### **6.3 Isolation Allowance**

6.3.1 A principal whose work requires that they reside for the term of their appointment at a locality designated as isolated will receive an isolation allowance at the prescribed rate.

6.3.2 An isolation allowance will be paid fortnightly and during:

periods of annual leave, whether or not the principal remains in the isolated locality;  
any absence from the isolated locality on sick leave or other paid leave of up to seven consecutive days;  
periods where a principal goes to another locality and is paid a school camp allowance.

### **6.4 Removal Expenses**

6.4.1 The provisions of [Appendix 2](#) apply.

## **Part 7: Leave**

Primary Principals' (PPCBU) Collective Agreement  
Effective: 1 December 2022 to 1 May 2025

### **7.1 Annual Leave**

7.1.1 An employer may, during any period when the school is officially closed for instruction, require a principal to:

undertake duties or responsibilities required during that period for the proper management of the school; or  
attend at the school or elsewhere for other purposes connected to that principal's employment.

The employer will however, endeavour to arrange matters at the school in such a way that any requirement that the principal undertake duties or attend at the school when the school is officially closed for instruction is not unreasonable.

7.1.2 Principals will take their annual leave outside of the gazetted term dates, when the school is closed for instruction. Such leave shall be taken in the year in which it falls due, except where the Board and the principal agree, in writing, that the unused entitlement may be carried over to the following year.

### **7.2 Statutory Holidays**

7.2.1 In accordance with the [Holidays Act 2003\(external link\)](#), a principal required by their employer to work on a Public Holiday shall be entitled to be paid time and a half for the day and to receive an alternative holiday (if the day would otherwise be a working day for the principal).

### **7.3 Sick Leave**

7.3 Eligibility

Subject to the translation provisions in Appendix 6, from 28 January 2024 a principal is entitled to sick leave on pay on account of sickness or injury based on the principal's aggregate employment as follows

	ENTITLEMENT	ACCUMULATED ENTITLEMENT
Upon first appointment to a teacher or principal (whichever is first) in a state or state integrated school	20 days	20 days
6 months service	10 days	30 days
12 months service	10 days	40 days
18 months service	10 days	50 days
24 months service	10 days	60 days
30 months service	10 days	70 days
Each subsequent 12 months of completed continuous service	10 days	+10 days

Up until 28 January 2024 principals' current entitlement under Table A or Table B (referred to in Appendix 6) shall continue to apply.

The amount of sick leave available shall be the principal's accumulated entitlement based on the principal's aggregate employment (as set out above), less the total amount of paid sick leave the principal has taken during their aggregate employment as a teacher or principal.

- For the purposes of sick leave, aggregate employment means:
- All full and part-time employment as a teacher or principal in any state or state-integrated school; plus
  - Any employment recognised under clause 7.3.1(a) below, plus
  - All short-term relief worked in any state or state-integrated school on the basis that every 190 days or 950 hours equals one year of employment.
- The amount of sick leave available to a principal returning to work covered by this collective agreement following a break in employment will be the balance that applied on their last day of employment plus any additional entitlement that may be credited under clause [7.3.1a] below. Any part-year employment completed prior to the break in service will be counted towards the timing of their next entitlement after return to service. Further entitlements will be granted when the principal reaches the next entitlement threshold as outlined in clause [7.3a] above.

7.3.1 Recognition of additional employment for sick leave purposes

Upon first appointment to a teaching or principal position (whichever is first) in a state or state integrated school, or following a break in employment, the following employment outside of teaching service in state or state-integrated schools will be recognised for sick leave purposes:

Employment as a teacher or principal in a New Zealand free kindergarten association, university, or polytechnic and/or employment as a teacher in Fiji, Cook Islands, Tonga, Western Samoa or Niue registered schools. For this purpose, permanent part-time employment and non-permanent employment that consists of employment for 20 hours or more per week will be recognised as full-time employment under this Agreement. Non-permanent part-time employment of less than 20 hours per week will be credited as follows:

80 hours are recognised as the equivalent of one month of employment under this agreement, and 1000 hours are recognised as the equivalent of one year of employment under this agreement.

Employment in the New Zealand Public Service and/or Armed Forces may be credited on such terms as the Secretary may agree.

Periods of secondment to Specified Education Sector Agency on a full-time or part-time basis, where that consists of employment with the Agency for 20 hours or more per week. The principal shall provide a certificate of service at the cessation of each secondment confirming their service while seconded and any sick leave that they took while seconded. Any sick leave taken during the secondment will be deducted from the principal's sick leave balance at the end of the secondment.

Any sick leave entitlement credited under clause 7.3.1 (a) shall be reduced by the amount of sick leave taken during the applicable periods of employment.

### **7.3.2 Taking sick leave**

A principal who has sick leave entitlement available under clause 7.3(a) can take sick leave on pay when they are absent because they are sick or injured or the principal's spouse, partner, or someone dependent on the principal for care is sick or injured.

The employer may grant paid sick leave in advance from the principal's next annual entitlement i.e., up to 10 days, which will be deducted from their next entitled.

Principals will have sick leave deducted from their entitlement set out in clause 7.3(a) above as follows:

Sick leave is only deducted on days that the school is open for instruction, and on days which the principal would normally have worked.

Sick leave will not be deducted for an absence that is less than two hours.

### **7.3.3 Medical Evidence**

While a medical certificate will not normally be required for leave within five consecutive days, where it is considered warranted, an employer may require a principal to produce a medical certificate or other evidence of sickness or injury satisfactory to the employer. If so, the employer will agree to meet the employee's reasonable expenses in obtaining the proof.

When more than five consecutive days sick leave is taken, the employer may require the principal to provide a medical certificate from a registered health practitioner at the employee's expense. If the principal cannot obtain a medical certificate, other evidence of sickness or injury satisfactory to the employer may be provided.

When a period of sick leave exceeds 14 days the employer may require the principal to:

provide a medical certificate from a registered health practitioner stating the expected date the teacher will be able to return to work. The employer may require the principal to provide further medical certificates should the sick leave continue beyond the expected date of return stated in this or subsequent medical certificates.

obtain a second medical opinion from an independent registered health practitioner nominated by the employer and agreed to by the principal provided that such agreement shall not be unreasonably withheld. The cost of a second medical opinion will be met by the employer.

### **7.3.4 Principals temporarily working reduced hours on account of sickness**

The employer may allow, at its discretion, a principal who has been on sick leave to return to duty on a reduced hours basis if:

The principal's doctor recommends and provides a medical clearance for the return to work, and

There would be no staffing or timetabling problems for the school.

The daily hours the principal does not work each week will be aggregated and deducted as sick leave as a proportion of the total hours they would usually work in that week.

Nothing in this clause shall be read as a limitation on the rights and obligations on employees and employers under

Parts 5AA and 6AB of the Employment Relations Act (which deal with flexible working arrangements).

### **7.3.5 Absences due to an injury or accident covered by the Accident Compensation Corporation**

When a principal is absent on account of a work related injury by accident that is covered by the Accident Compensation Corporation, no sick leave will be deducted for the period of absence.

Subject to section 71(4) of the Holidays Act 2003, when a principal is absent on account of a non-work related injury by accident covered by the Accident Compensation Corporation, the sick leave is deducted to make up the principal's normal remuneration (provided the principal has a sick leave entitlement available) i.e. the payment of earnings related compensation plus the principal's sick leave (where leave is available) will equal the principal's normal remuneration.

## **7.4 Disregarded Sick Leave**

### **7.4 Disregarded sick leave**

7.4.1 Disregarded sick leave not exceeding an overall aggregate of two years shall be granted by the Secretary where in the opinion of the Secretary one of the following conditions has been met:

The sickness can be traced directly to the conditions or circumstances under which the principal is working; or  
The injury occurred in the discharge of the principal's duties through no fault of the principal and where no payment has been made by the Accident Compensation Corporation; or  
The principal has contracted a notifiable disease listed in Part 1 of Schedule 1 of the Health Act 1956, and the principal is either:

complying with a written request or direction from a Medical Officer of Health under the Health Act 1956 to refrain from attending school for a specified period, or

is otherwise required by a relevant Public Health Order to refrain from attending school for a specified period.

The principal has contracted hepatitis or tuberculosis, where the period of disregarded sick leave is the time that the principal's treating registered medical practitioner decides is necessary for the principal to remain away from school; or

The absence was due to war injury or service.

7.4.2 Where sick leave has been deducted for any period granted as disregarded sick leave under clause 7.5.1 above, the sick leave will be reinstated.

7.4.3 Disregarded sick leave is additional to any period of absence on account of sickness or injury to which the principal is entitled with full salary in accordance with the scale set out in clause 7.3 above.

7.4.4 Fixed term or relieving principals shall only be granted disregarded sick leave, as provided for in 5.2.1 above, where they have been in continuous employment before the date of application.

## **7.5 Holiday Pay Deductions**

7.5.1 Holiday pay is not reduced for periods of sick leave with pay.

7.5.2 When principals have used their current sick leave entitlement holiday pay may be reduced for periods of sick leave without pay on the following conditions:

No deduction is to be made from the holiday pay of principals for periods of sick leave without pay for periods not exceeding 90 calendar days in any one school year.

Where the total amount of sick/accident leave without pay is in excess of 90 calendar days the deduction is based on

the period subsequent to the initial 90 calendar days. The initial 90 calendar days are

7.5.3 Principals with a current sick leave entitlement who apply to receive sick leave without pay will have holiday pay reduced in proportion to the unpaid leave taken and should be advised of this when notified of the approval of sick leave without pay.

7.5.4 Clause 7.5.2 above will apply to all fixed term or relieving teachers who have completed at least 90 calendar days continuous service.

## **7.6 Bereavement / Tangihanga Leave**

7.6.1 An employer shall approve special bereavement/tangihanga leave on pay for a principal to discharge any obligation and/or to pay respects to a deceased person with whom the principal has had a close association. Such obligations may exist because of blood or family ties or because of particular cultural requirements such as attendance at all or part of a tangihanga or its equivalent.

7.6.2 In granting leave the following must be taken into account:

The closeness of association between the principal and the deceased. (Note: This association need not be a blood relationship);

Whether the principal has to take significant responsibility for any or all of the arrangements to do with the ceremonies resulting from death;

The amount of time needed to discharge properly any responsibilities or obligations;

Reasonable travelling time should be allowed, but for cases involving overseas travel that may not be the full period of travel;

When an unveiling ceremony occurs on a school working day, leave on pay shall be granted.

## **7.7 Discretionary Leave**

7.7.1 The employer may, where there are special circumstances, grant discretionary leave with or without pay to any principal during periods when the school is officially open for instruction, provided that such leave does not unreasonably impinge upon the operational requirements of the school. Before approving any discretionary leave, the employer shall ensure that the granting of such leave complies with any funding arrangements applying to the school in respect of such leave.

*(Note: Where leave is granted for family reasons, family shall include: partner, child, sister, brother, parent, grandparent, grandchild, kaumatua, mokopuna, tamaiti whangai, matua whangai, near relative, near relative-in-law, a member of the household or a person dependent on the principal.)*

7.7.2 The employer shall give favourable consideration to granting discretionary leave to a principal who is absent from work to attend to a dependent of the principal.

## **7.8 Parental Leave**

Note: Principals are encouraged to contact the Employment New Zealand on 0800 20 90 20 for more information on parental leave.

7.8.1 The provisions of the Parental Leave and Employment Protection Act 1987 shall apply, except in the case of superior provisions listed below.

7.8.2 The Act provides entitlements to prospective parents, including those adopting a child under six years of age, who

meet specific criteria, as set out in the Act. Those entitlements are:

- Special leave (pregnancy-related) of up to 10 days;
- Primary carer leave of up to 26 weeks;
- Extended leave of up to 52 weeks;
- Up to 26 weeks of parental leave payments;
- Partner's leave of up to two weeks;

7.8.3 In addition to a principal's rights under this Act, the following shall apply:

Principals intending to resign because of pregnancy or the birth of a child must be advised of their right to take parental leave;

Primary carer leave may commence at any time during the pregnancy, subject to the principal giving the employer one month's notice in writing supported by a medical certificate. A shorter period of notice will be accepted on the recommendation of a medical practitioner;

Any primary carer leave taken will not count against the extended leave entitlement;

A principal with less than 52 weeks' service shall be entitled to 26 weeks leave from the date of birth and may be granted up to 26 weeks additional leave at the discretion of the employer.

If a principal is granted parental leave, or leave equivalent to parental leave while seconded to a Specified Education Sector Agency, the following provisions will apply:

The principal must give the same notice(s) which would otherwise apply under the Act to the employer, in addition to the Specified Education Sector Agency they are seconded to

Provided the principal has met the notice requirements above, the employer will grant the principal sufficient leave that they are able to take up to 52 weeks unpaid leave from the date of birth, or in the case of adoption, whangai or Home for Life placement of a child under the age of six years from the date the principal becomes the primary carer.

7.8.4 Parental Grant

The parental grant is payable to a principal on production of a birth certificate or evidence of an approved adoption placement. This entitlement is payable if the principal qualifies for primary carer leave (refer the Parental Leave and Employment Protection Act 1987) or resigns because of pregnancy or adoption, except as follows: the parental grant is not payable where a principal has not produced a medical certificate confirming pregnancy, or confirmation from the relevant government department of suitability as an adoptive parent, before commencing leave or resigning. No provision is made for payment of a parental grant in the case of a miscarriage.

The amount of the grant is calculated on the basis of six weeks full salary at the rate applicable, at the date of birth (or placement in the case of adoption), to the position from which the principal was granted leave of absence or resigned as the case may be. However, a principal who works less than full normal hours for a short period only, prior to taking primary carer leave, may have their case for full payment considered by the employer. When a principal is absent on primary carer leave for less than six weeks (30 working days), the full grant equivalent to six weeks salary is still payable. The parental grant is not reduced because salary is being received.

Note: Principals on parental leave have access to the surplus staffing/school closure provisions of this Agreement.

## 7.9 Study Leave

7.9.1 A principal who applies for and is awarded one of the 75 full time equivalent study awards from the Ministry | Te Tāhuhu o te Mātauranga, available nationally each year to all primary teachers and principals, shall be granted leave on pay for the period of the study.

7.9.2 In allocating study awards the good employer requirements of section 597 of the Education and Training Act 2020 shall be considered.

7.9.3 Up to five of the 75 awards may be available to teachers or principals who intend to undertake an agreed project of research in education.

## **7.10 Refreshment Leave**

7.10.1 Principals attested as meeting the principals' professional standards in this Agreement shall be entitled (subject to clause 7.10.2) to take unpaid refreshment leave of one school term after three years in the school or up to one school year after five years in the school. When a period of refreshment leave has been taken, a further period of qualifying service in the school, from the date of return from leave, is required before the principal may be considered for further refreshment leave.

7.10.2 Entitlement to refreshment leave in clause 7.10.1 is subject to:

The employer's ability to find a suitable reliever to fill the vacancy created by the principal taking the leave, including any consequential vacancy arising as a result of an existing employee acting in the principal's position. A suitable reliever is a person who will be able, to the satisfaction of the employer, to relieve in the school during the period of the principal's leave. The employer shall use reasonable endeavours to find a suitable reliever. Reasonable endeavours in this context means accessing suitable relievers from current staff, e.g., DP or AP and/or advertising locally if necessary; and does not mean advertising regionally or nationally except as required in this Agreement to fill a vacancy of one year's duration. It does not require the employer to place more than one advertisement; and the principal not being subject to current competency or disciplinary processes.

7.10.3 Time off on refreshment leave will count as service for the purposes of long service and severance calculations. It will not count for the purposes of sick leave or holiday pay calculations or for entitlement to public holidays.

7.10.4 A principal taking refreshment leave shall not accept employment as a teacher or principal in another state or state-integrated NZ school. However, a principal may agree to undertake occasional day relief work.

7.10.5 Periods of secondment to a Specified Education Sector Agency will not count towards qualifying service under clause 7.10.1 for a period of refreshment leave.

## **7.11 Sabbatical Leave Scheme**

7.11.1 A sabbatical leave scheme for primary principals will apply according to the following:

There will be up to 105 full-time equivalent sabbaticals awarded annually (Note: this may result in sabbatical leave being awarded to more than 105 primary principals during one school year),

A full-time equivalent sabbatical will be of ten weeks duration paid at the rate of the principal's normal pay.

Principals may apply for ten-week, five-week or three-week sabbaticals; however, ten-week sabbaticals will be allocated first.

A ten-week sabbatical may, with the board's approval, be taken in two blocks during one school year. Each block must be whole weeks in duration and the smallest block must be for at least three weeks.

7.11.2 Entitlement to the sabbatical is subject to:

service of at least five years as a primary principal in the state sector. Time spent on Secondment to a Specified Education Sector Agency is not recognised as service for the purposes of this clause  
application by the principal which has the support of their school board; and

the submission of a proposal of work to be undertaken during the sabbatical leave.

7.11.3 The scheme is open to all primary principals, regardless of union membership.

7.11.4 Te Tāhuhu o te Mātauranga | The Ministry of Education will consult with relevant parties on any changes to the criteria for the scheme and its operation.

#### **7.12 Professional Development Release Time for First Time Principals**

## **Part 8: Complaints/Discipline/Competency**

Primary Principals' (PPCBU) Collective Agreement

Effective: 1 December 2022 to 1 May 2025

### **8.1 General Provisions/Process**

8.1.1 The following principles shall be used in addressing complaints, discipline and concerns regarding competence to ensure that such matters are, in the interests of all parties, fully and fairly addressed:

where such issues or concerns regarding competence arise the Board shall initiate informal discussions with the principal in an attempt to resolve the matter in an informal manner. This applies following receipt of a complaint and /or concern(s) being raised in relation to any of these matters. This will occur prior to formally commencing a disciplinary or competency process, unless the nature of the complaint or concern(s) is such that this would be inappropriate;

questions of competence, conduct and discipline should be handled in a manner which, as far as possible, protects the mana and dignity of the principal concerned. Principals may seek whānau, family, professional and / or PPCBU support in relation to such matters.

## **8.2 Discussions in a Māori Context**

### **8.2.1**

The principal must be advised in writing of the specific matter(s) causing concern. The principal and the Board may, depending on the nature of the complaint, agree to attempt to deal with a complaint by it being heard in a Māori context and manner.

A Māori context and manner relates to the following:

- meetings can be held on marae;
- there is face to face engagement;
- there can be whānau support for all involved; and
- guidance and advice is often provided by kaumatua and kuia for all involved.

Should the principal and the Board, or their representatives on their behalf, agree to a resolution of the matter then this shall be recorded in writing and signed by both parties and/or their representatives on their behalf. A copy of the agreement will be placed on the principal's personal file.

This is a discretionary option and either party may withdraw at any time, and nothing in this clause prevents the Board or the principal deciding, at any time, that any or all of the procedures in clauses 8.3, 8.4, 8.5, 8.6 and 8.7 will be used. Where either party decides to withdraw from this process such a decision will not of itself give rise to any claim of procedural deficiency or unfairness. The decision to withdraw from this process and/or for the Board to use any or all of the procedures in clauses 8.3, 8.4, 8.5, 8.6 and 8.7 will be notified in writing to the other party.

## **8.3 Competency**

8.3.1 Where there are matters of competency which are causing concern (for example failing to meet the primary principals' professional standards), the Board shall put in place appropriate individual assistance and guidance to assist the principal and for that purpose, may seek such appropriate professional advice as may be required.

8.3.2 Where this assistance and guidance has not remedied the situation, the Board shall initiate a competency process and the following provisions should govern the action to be taken:

- the principal must be advised in writing of the specific matter(s) causing concern and what, if any, corrective action is required.
- the principal is to be given a reasonable opportunity to remedy the matter(s) causing concern. This timeframe shall be determined by the Board, may take into account any previous support or guidance, and shall be relevant to the matter(s) causing concern;
- the process and results of any evaluation are to be recorded in writing, sighted and signed by the principal;
- a copy of any report made to the Board shall be given to the principal;
- no action shall be taken on a report until the principal has had a reasonable time to comment (in writing, orally or both);

if the above steps (a-e) fail to resolve the matter(s) of concern, the Board may, where justified, dismiss the principal in accordance with clauses 8.6 or 8.7 and without the need to follow the provisions of clause 8.4 below; and  
a copy of any report given to the Teaching Council shall be given to the principal.

## **8.4 Discipline**

8.4.1 The following will apply where specific disciplinary matter(s) are cause for concern.

8.4.2 The principal must be advised of the right to have representation at any stage.

8.4.3 The principal must be advised in writing of the specific matter(s) causing concern and be given a reasonable opportunity to provide an explanation. Before making a final decision, the Board may need to make further inquiries in order to be satisfied as to the facts of the specific matter(s) causing concern.

8.4.4 If misconduct is found to have occurred then the corrective action(s) that may be imposed, following an opportunity for the principal to comment, include:

counselling and/or mentoring intended to assist the principal amend their conduct and/or change particular behaviours;  
a verbal or written warning that includes advice of any corrective action required to amend their conduct and a reasonable opportunity to do so; and  
a final written warning which includes advice of any corrective action required to amend their conduct and giving reasonable opportunity to do so.

8.4.5 The Board may also consider that the misconduct warrants dismissal with or without notice.

8.4.6 The process and any resulting action(s) are to be recorded, then sighted and signed by the principal, and placed on their personal file.

8.4.7 A copy of any report in relation to this matter made to the Board or provided to the Teaching Council shall be given to the principal.

## **8.5 Suspension**

8.5.1

If the alleged conduct is deemed sufficiently serious a principal may be either suspended with or without pay or transferred temporarily to other duties.

The Board shall not, unless there are exceptional circumstances, suspend the principal without first allowing the principal a reasonable opportunity to make submissions to the Board about the alleged misconduct and the appropriateness of suspension in all of the circumstances. The Board shall take into account any submissions made by the principal before determining the matter of suspension.

The Board shall use its best endeavours to ensure that the period of suspension is kept to the minimum possible consistent with ensuring that the allegations of misconduct are properly investigated and that the principal is treated fairly at all times.

If the allegation that led to suspension is without substance the principal shall, unless they have resigned in the interim, be entitled to resume duties immediately and, if suspended without pay, to have that pay re-instated from the date of suspension.

## 8.6 Dismissal

8.6.1 The Board may, after applying the principles and processes of clauses 8.1, 8.2, 8.3, 8.4 and 8.5 above, terminate the employment of the principal by giving two months' notice of termination. In the first instance, the Board and the principal may mutually agree to waive the requirement to work out two months' notice. If agreement cannot be reached, the principal may be dismissed and paid two months' salary in lieu of notice.

## 8.7 Instant Dismissal

8.7.1 In the case of a finding of serious misconduct, the Board may dismiss the principal without notice.

## 8.8 Employment Relationship Problem Resolution

8.8.1 The employment relationship problem resolution provisions in [Appendix 3](#) of this Agreement are available to a principal who is aggrieved by any action of the Board taken under these provisions.

# Part 9: Surplus Staffing

Primary Principals' (PPCBU) Collective Agreement

Effective: 1 December 2022 to 1 May 2025

## Part 9: Surplus Staffing

9.1.1 In the situation of a school reorganisation process, the principals' positions in all the closed or reorganised schools shall be disestablished and clauses 9.7 and/or 9.8 shall apply. The new position of principal in the reorganised school shall be advertised pursuant to the Section 604 of the Education and Training Act 2020.

9.1.2 Where the staffing requirements within the school have been reviewed by an employer (including as a consequence of amalgamation, merger, change of status, and/or closure), and a permanently appointed principal's position is disestablished, the principal in consultation with the Board may elect either:

Redeployment - The principal is redeployed, as a basic scale teacher with full salary protection, for 30 school weeks within the school or any other school requested by the principal with the approval of the original Board and of the Board of that other school. The redeployment process is outlined in clause 9.2; or

Retraining - Undertake a suitable course of retraining approved by the Ministry of Education | Te Tāhuhu o Mātauranga for 30 school weeks which enables or upgrades the principal as a teacher or a principal. The retraining process is outlined in clause 9.3; or

Severance - Terminate the employment by giving three months' notice. In addition the Board shall pay the principal a lump sum payment equivalent to:

Three months' ordinary pay (basic taxable salary) where the principal has up to three years' service;

Four months' ordinary pay (basic taxable salary) where the principal has over three years' and up to five years' service;

Six months' ordinary pay (basic taxable salary) where the principal has five years' (and over) service.

Provided that if the principal, following disestablishment of their position, commences permanent employment in a state or state-integrated school before the expiry of the period in respect of which the payment was made (i.e., three months, four months, or six months), the principal shall refund the portion of the severance payment which represents the difference between the period in respect of which the payment was made and the number of

weeks without employment.

Long Service Payment - Subject to clause 9.4 where the principal has 25 years' service or more she/he may elect to be paid a lump sum of six months' ordinary pay (basic taxable salary) plus one weeks' ordinary pay for each complete year of service. The maximum amount payable under this clause shall not exceed salary for one year.

9.2 The following redeployment procedures shall apply to a principal who is redeployed under clause 9.1.2 (a):

9.2.1 The employer shall assist the principal to find a suitable alternative position and will meet the reasonable costs of attending relevant interviews.

9.2.2 Where a principal is redeployed as a basic scale teacher under clause 9.1.2 (a) and a position at the same or lower level becomes vacant at the school at which the principal is redeployed (or with the principal's original Board where the principal has been redeployed to a different school) the principal shall be offered the vacant position unless the position is either a Māori immersion teacher or special education teacher position requiring skills not possessed by the principal.

9.2.3 Where a principal declines placement under clause 9.2.2 at the same level or declines a reasonable offer of appointment at the same or higher level from another board, that principal's employment shall be terminated without further compensation.

9.2.4 The principal shall receive pay protection for the full 30 school weeks if they remain at that school.

9.2.5 Where any teaching position above that of basic scale (but not the position of principal) becomes vacant at the school at which the principal has been redeployed during the redeployment period, that position must be advertised internally in the first instance.

9.2.6 There is no entitlement to appointment to the position of principal in the originating school or the school in which redeployment occurs should a vacancy occur during the period of redeployment.

9.2.7 A principal may, during their period of redeployment, subject to agreement between the principal and their employer, undertake a defined special project(s) of work.

9.2.8 At the end of the period of redeployment if a new position has not been secured the principal's employment shall be terminated. If the employment is likely to be terminated in these circumstances the Board shall advise the principal in writing of this not less than one month before the expiry of the period of redeployment.

9.2.9 If a transfer of location is involved, principals employed under clause 9.1.2 (a) may elect to be reimbursed removal expenses as per Appendix 2 in one or another but not both of the following circumstances:

Where the principal transfers to another school to continue employment pursuant to clause 9.1.2 (a); or  
Where the principal transfers to a school where they have been appointed to a new permanent position.

9.3 The following shall apply to a principal who is re-training under clause 9.1.2 (b):

There is no requirement on the employer to meet any costs and expenses of training, including course fees;  
At the end of the period of re-training if a permanent position has not been secured the principal's employment shall be terminated. If the employment is likely to be terminated in these circumstances the Board shall advise the principal in writing of this not less than one month before the expiry of the period of re-training.

9.4 Payment of severance or long service payment under clause 9.1.2 is subject to the following provisions:

Where a principal who has received a severance payment or long service payment commences permanent employment in a state or state-integrated school within a number of weeks which is less than the number of weeks of payment received under clause 9.1.2 the principal shall refund the difference between the number of weeks for which they were without employment and the number of weeks for which severance or long service payment was received. Repayment shall be for the proportion of time that they work and at the rate they earn, or the rate of payment that was received under clause 9.1.2., whichever is the lesser.

Payment under this provision is conditional on the employee finishing on an agreed date. Where the employee resigns their position or is appointed to another teaching position in a state or state-integrated school before the date of payment, no payment will be made.

Any employee receiving the severance payment or long service payment will be deemed to have been paid in full for service to that date for the purpose of calculating service for any future sick leave, severance, or long service payment entitlements. Provided that a principal who is subject to clause 9.4 (a) shall receive pro rata reinstatement of these entitlements.

For the purpose of these provisions ordinary pay is defined as basic taxable salary plus regular taxable allowances paid on a continuous basis as at the effective date that the surplus staffing takes effect. For employees on leave without pay, ordinary pay shall be the ordinary pay at the time of taking leave.

9.5 In the event of the status of the school changing to a kura kaupapa Māori or a school which will provide level 1, 2 or 3 Māori Immersion programmes, all of the provisions of this clause will apply to the principal if she/he is affected and required to transfer out.

9.6 For the purpose of this Part “service” is defined as the aggregate of all employment as a teacher in state or state-integrated schools and/or service as a trained and certificated teacher in the employment of a Free Kindergarten Association and any credit (to a maximum of 5 years' credit) given for time spent on childcare pursuant to clause 5.5 of the Primary Teachers' Collective Agreement.

9.7 In case of the principals whose positions have been disestablished in the event of a school reorganisation process the following surplus staffing options shall apply:

Redeployment - The principal is redeployed as a basic scale teacher for 40 school weeks at any other school requested by the principal with the approval of the Board of that other school. Salary protection at the principal's previous salary (i.e. school roll and staffing based components only) shall apply for the period of redeployment. The redeployment process is outlined in clause 9.2 provided that upon termination of the supernumerary period, principals who complete their supernumerary employment of 40 school weeks and have yet to secure a permanent position in another state or state-integrated school, will retain an entitlement to removal expenses as per **Appendix 2** of the PPCA-PPCBU for a period of 12 months from the cessation of their supernumerary employment. This entitlement will cease on permanent appointment to a position in a state school; or

Retraining - Undertake a suitable course of retraining approved by the Ministry of Education | Te Tāhuhu o Mātauranga for 30 school weeks which enables or upgrades the principal as a teacher or a principal. The retraining process is outlined in clause 9.3; or

Severance - Terminate the employment by giving three months' notice. In addition the Board shall pay the principal a lump sum payment equivalent to:

Three months' ordinary pay (basic taxable salary) where the principal has up to three years' service;

Four months' ordinary pay (basic taxable salary) where the principal has over three years' and up to five years' service;

Six months' ordinary pay (basic taxable salary) where the principal has five years' (and over) service.

Provided that if the principal, following disestablishment of their position, commences permanent employment in a state or state-integrated school before the expiry of the period in respect of which the payment was made (i.e.,

three months, four months, or six months), the principal shall refund the portion of the severance payment which represents the difference between the period in respect of which the payment was made and the number of weeks without employment.

Long Service Payment - Subject to clause 9.4 where the principal has 25 years' service or more she/he may elect to be paid a lump sum of six months' ordinary pay (basic taxable salary) plus one weeks' ordinary pay for each complete year of service. The maximum amount payable under this clause shall not exceed salary for one year.

9.8 Where a principal is appointed to a position which has lower remuneration than the position held at the time of disestablishment, they shall receive salary protection at the principal's previous salary (i.e. school roll and staffing based components only) for a period of one year from the date of disestablishment.

## Appendix 3: Employment Relationship Problems

Primary Principals' (PPCBU) Collective Agreement

Effective: 1 December 2022 to 1 May 2025

### Employment Relationship Problems

#### What is an Employment Relationship Problem?

It is a problem between employee and employer. For example, it might be a personal grievance or a dispute about a provision in an employment agreement.

#### Resolving an Employment Relationship Problem

The employee and employer should first make a reasonable effort to discuss the problem and settle it by mutual agreement. (If it's a personal grievance, it must first be raised with the employer within 90 days - Personal Grievances are explained further below).

An employee (or employer) has the right to be represented at any stage.

When a problem arises, union members should contact their local PPCBU field officer for advice and representation.

Employers should contact NZSTA or other adviser/representative of choice.

### Personal Grievances

A personal grievance is a particular type of employment relationship problem that normally must be raised with the employer within 90 days of the grievance arising.

An employee may have a personal grievance where:

the employee has been unjustifiably dismissed; or  
the employee's employment, or 1 or more conditions of the employee's employment (including any condition that survives termination of the employment), is or are or was (during employment that has since been terminated) affected to the employee's disadvantage by some unjustifiable action by the employer; or  
the employee has been discriminated against in the employee's employment; or  
the employee has been sexually harassed in the employee's employment; or  
the employee has been treated adversely in the employee's employment on the ground that the employee is, or is suspected or assumed or believed to be, a person affected by family violence; or  
the employee has been racially harassed in the employee's employment; or  
the employee has been subject to duress in the employee's employment in relation to membership or non-membership of a union or employees organisation; or

the employee's employer has failed to comply with a requirement of Part 6A; or  
the employee has been disadvantaged by the employee's employment agreement not being in accordance with section 67C, 67D, 67G, or 67H; or  
the employee's employer has contravened section 67F or 67G(3); or  
the employee's employer has, in relation to the employee,—  
engaged in adverse conduct for a prohibited health and safety reason; or  
contravened section 92 of the Health and Safety at Work Act 2015 (which prohibits coercion or inducement); or  
that the employer has retaliated, or threatened to retaliate, against the employee in breach of section 21 of the Protected Disclosures (Protection of Whistleblowers) Act 2022 (because the employee intends to make or has made a protected disclosure).

**Note:** The full meaning of the terms “personal grievance”, “discrimination”, “sexual harassment”, “racial harassment”, and “duress”, shall be the meaning given by sections 103 to 110 inclusive of the Employment Relations Act 2000.

As with other employment relationship problems, the parties should always try to resolve a personal grievance through discussion.

Either party can refer a personal grievance to the Employment Relations Service of the Ministry of Business, Innovation, and Employment (MBIE) for mediation assistance, or to the Employment Relations Authority (Authority).

If the problem relates to a type of discrimination that can be the subject of a complaint to the Human Rights Commission under the Human Rights Act 1993, the person can either take a personal grievance, or complain to the Human Rights Commission, but not both. If in doubt, advice should be sought before deciding.

## Appendix 5: Medical Retirement

Primary Principals' (PPCBU) Collective Agreement  
Effective: 1 December 2022 to 1 May 2025

### Appendix 5 Medical Retirement

#### 1.1

The purpose of this provision is to:

Provide the opportunity for principals, currently in service, who are declared medically unfit or who have a terminal illness to retire from teaching with dignity;

Give the ability for boards to recruit a new principal to the vacant permanent position without delay.

'Currently in service' means the principal is employed in a permanent position at the time the application for medical retirement is made and when concurrence is given by the Secretary. Medical retirement cannot be granted retrospectively.

#### 1.2

A permanently appointed principal, currently in service, may be granted medical retirement under this clause in circumstances where the principal has either a terminal or serious illness which causes them to be incapable of continuing to work or returning to work.

For the purposes of clause 10.4(c) of this Agreement, "serious illness" includes serious injury.

Stress is not considered to be a medical diagnosis. Any application for concurrence on the basis of stress will be declined. However, the medical impact of stress if it meets the criteria will be considered.

A principal is considered to be medically unfit for work by reason of terminal illness if they have a terminal illness which causes them to be incapable of continuing to work or returning to work in a state or state-integrated school.

A principal is considered to be medically unfit for work by reason of serious illness if they are wholly or substantially unable to perform the duties of the position at the school and is unlikely currently or at any time in the foreseeable future to be able to undertake new employment in any other teaching or principal position.

A principal is not eligible for medical retirement where they are receiving weekly compensation from the Accident Compensation Corporation.

For the purposes of clause 10.4(d) of this Agreement the employer must have reasonable grounds to initiate the process. "Reasonable grounds" arise where the principal for a prolonged period is wholly or substantially unable to perform the duties of the position at the school due to medical reasons.

#### 1.3 Principal Initiated Process

If the principal initiates the process, the principal shall provide to the employer from a registered medical specialist in writing: a description of the principal's illness, a statement as to whether or not the principal will be able to wholly or substantially perform their duties both currently and in the foreseeable future, and the reasons for the opinion.

The employer may require a further medical opinion from a registered medical specialist nominated by the employer.

If two medical opinions from a medical specialist are sought and these medical opinions conflict, the principal and employer shall attempt to agree on a third medical specialist to provide a further opinion. If they cannot agree, the employer shall nominate the medical specialist.

If the principal is unable to obtain a registered medical specialist opinion in a timely fashion, or by virtue of distance, then:

the principal will undergo a medical examination from a registered general practitioner.

the general practitioner shall provide in writing the information referred to in clause 1.3(a)(i) above and attestation that the principal could not obtain an opinion from a registered medical specialist.

The employer may require a further medical opinions from a registered general practitioner nominated by the employer.

If two medical opinions are sought and the medical opinions conflict, the principal and employer shall attempt to agree on a third registered general practitioner or medical specialist to provide a further medical opinion. If they cannot agree, the employer shall nominate the registered general practitioner, or medical specialist.

All costs associated with the second and third medical opinions shall be met by the employer.

#### 1.4 Employer Initiated Process

##### Pre-process

Where the employer has reasonable grounds (as outlined in clause 1.2 above) to consider that the principal may be medically unfit for work as outlined in 1.2, the employer will in the first instance:

write to the principal outlining the concerns and the grounds on which it has formed a view that medical retirement may be an appropriate option;

inform the principal they are entitled to attend up to three sessions from an employee assistance programme (EAP) and extend to the principal the opportunity to access EAP counselling;

outline the medical retirement process should the employer proceed with the process; and

inform the principal of their right to have a representative.

##### Initiation of Process

##### Registered Medical Specialist

Following the completion of the pre-process:

Where the employer proceeds with the process, the principal shall undergo a medical examination from a registered medical specialist nominated by the employer.

The medical specialist shall provide in writing the information referred to in clause 1.3(a)(i) above.

The principal is entitled to seek a second medical specialist's opinion.

Where two medical specialist opinions are sought and these medical opinions agree that the principal will not be able to wholly or substantially perform their duties both currently and in the foreseeable future, then the employer may seek the Secretary's concurrence to medically retire the principal.

##### Registered General Practitioner

If the employer is unable to obtain a registered medical specialist opinion in a timely fashion, or by

virtue of distance, then the principal will undergo a medical examination from a registered general practitioner nominated by the employer (or two general practitioners if the principal so wishes, one nominated by the employer and the other by the principal).

The general practitioner(s) shall provide in writing the information referred to in clause 1.3(a)(i) above and attestation that the principal could not obtain an opinion from a registered medical specialist. Where two medical opinions from a general practitioner are sought and these medical opinions conflict, the principal and employer shall attempt to agree on a third registered general practitioner or medical specialist to provide a further medical certificate. If they cannot agree, the employer shall nominate the registered general practitioner.

All costs associated with the medical examination(s) and the principal assistance programme shall be met by the employer.

1.5 Where the majority of medical evidence does not support a claim for medical retirement under this provision this process shall cease.

#### 1.6 Seeking Concurrence

Where the majority of medical evidence supports the application for medical retirement either by reason of terminal or serious illness, as per clause 1.2 above, the employer shall seek the concurrence of the Secretary to medically retire the principal.

All applications for concurrence must be in writing and accompanied by the correct documentation.

Applications for concurrence for medical retirement will be granted where the following criteria have been met:

The process has been followed; and

The medical evidence has been supplied in sufficient detail so as to support the application for medical retirement as specified in clause 1.2.

Where the medical evidence that has been supplied is not of sufficient detail to enable full consideration of the application for medical retirement, the Secretary may request that the employer seek a further medical opinion.

#### 1.7 Medical Retirement Payment

Upon receiving notification that the Secretary has granted concurrence, the employer shall notify the principal that they are medically retired as at the date of the Secretary's notification. No notice is payable. The principal shall be medically retired and may elect to receive one of the following:

Remaining sick leave as a lump-sum payment.

The principal will receive the remainder of their sick leave (that is, the outstanding sick leave balance as at the final day of employment) as a lump-sum payment; or

A lump sum payment of 13 weeks' salary plus an additional week for each year of service after 25 years' service, up to a maximum of 13 weeks (i.e. the total maximum payment payable under this provision is 26 weeks). Any paid sick leave taken by the principal in the four weeks prior to the application to medically retire shall be subtracted from the payment.

Note: Payment will be based on the normal fortnightly salary of the principal at the time of medical retirement. It does not attract any salary increment that may fall due after the date of medical retirement. Holiday pay to the date of medical retirement is payable. The lump sum does not attract holiday pay.

The principal is not entitled to change options once the option has been actioned.

Disregarded sick leave is not able to be converted to a payment under any of the provisions of medical retirement

Note: All payments are subject to normal tax provisions.

## 1.8 Vacant Position Appointment

From the date the Secretary gives notification of concurrence to medical retirement, regardless of the option chosen by the principal under clause 1.7, the employer shall be entitled to make a permanent appointment to the position as if that position were vacant. This position shall be advertised in the Education Gazette as an actual vacancy position.

The Teaching Council must be notified by the Board that the principal has been medically retired.

## 1.9 Re-entry policy

It is not contemplated that when a principal is medically retired from the teaching profession that they will return to work as either a principal or a teacher in the future. It is however acknowledged that in exceptional circumstances a principal may subsequently become medically fit to work in the teaching service.

Where a principal who has been medically retired under any clause set out in this provision is declared medically fit by a registered medical specialist and is reemployed in any teaching or principal position in the Education Service (as defined in section 10(7) of the Education and Training Act 2020) the following shall apply:

The principal shall be entitled to sick leave in accordance with the provisions of the **Holidays Act 2003** ([external link](#)) and not the provisions in this Agreement.

Where employment in any teaching or principal position in the Education Service commences within a number of weeks which is less than the number of weeks of payment received by the principal under clause 1.7(i)-(ii) the principal shall refund the difference between the number of weeks for which they were without employment and the number of weeks for which the payment was calculated.

A principal cannot be medically retired twice for any of reasons outlined in this Appendix.

# Appendix 6: Sick Leave Translation

Primary Principals' (PPCBU) Collective Agreement

Effective: 1 December 2022 to 1 May 2025

## Appendix 6 Sick Leave Translation

Translation from a principal's current table-based entitlement to the proposed allocation shall occur on 28 January 2024. Translation will be based on the years of service accrued under the principal's current table-based entitlement and the corresponding allocation for the accrued years of service, less sick leave taken, provided that no principal will have a sick leave balance that is:

less than 10 days, or

less than their balance as at 27 January 2024.

### Examples of translation:

A principal with 2 years of accrued service under Table A will have an accumulated entitlement of 36 days; under Table B will have an accumulated entitlement of 46 days – this principal will translate with 60 days accumulated entitlement; their sick leave balance will be the accumulated entitlement less the number of sick leave days taken during their accrued service (aggregate employment).

A principal with 5 years of accrued service under Table A will have an accumulated entitlement of 70 days; under Table B will have an accumulated entitlement of 92 days – this principal will translate with 90 days accumulated entitlement; their sick leave balance will be the accumulated entitlement less the number of sick leave days taken during their accrued service (aggregate employment). Where a teacher has taken 90 days or more under Table B, they will be allocated 10 days sick leave (as this is the minimum balance principals are allocated on translation), and they will receive a further 10 days on completion of a further 6 months aggregate employment.)

Illustration of sick leave entitlements under Table A, Table B, and the new entitlements

	Aggregate employment at day of translation	Sick leave entitlement prior to translation	Total sick leave taken over duration of aggregate employment	Balance	Translated sick leave entitlement	Total sick leave taken over duration of aggregate employment	Balance	New balance available to the principal from day of translation

Principal C	10 years	109 days	109 days	0 days	140 days	109 days	31 days	31 days

Examples of translation for principals on Table B on day of translation:

	Aggregate employment at day of translation	Sick leave entitlement prior to translation	Total sick leave taken over duration of aggregate employment	Balance	Translated sick leave entitlement	Total sick leave taken over duration of aggregate employment	Balance	New balance available to the principal from day of translation

## 9. Additional Payments

### *Partnership with PPCBU - \$750 Lump sum to members employed as at 5 April*

The parties recognise the value in their ongoing and productive relationship, including their joint efforts to build an environment in which the teaching profession is highly regarded, sustainable, and is fit for now and the future of learning and that collective bargaining is a key part of those joint efforts.

In recognition of the benefits arising out of the parties' relationship, including PPCBU's role in negotiating terms and conditions for primary principals and the contribution of PPCBU and its members to the ongoing COVID-19 pandemic response, the parties agree that all full-time principals who are members of PPCBU as at 5 April 2023 and are bound by the PPCA are entitled to receive a one-off gross payment of \$750. The payment will be pro-rated for part-time principals based on their full-time teacher equivalent (FTTE) as at 5 April 2023.

Members of PPCBU who are bound by the PPCA as at 5 April 2023 and on that day were on approved leave under Part 7 of this collective agreement are entitled, upon application, to receive the one-off gross payment of \$750 on their return providing that they return to their position on or before Term 2, 2023, or before Term 4, 2023 for those on parental leave.

The minimum payment for any eligible principal, regardless of FTTE, will be \$75, and no principal shall receive more than gross \$750 in total. Clause wording is included in the attached Annexe. This clause wording will be removed in subsequent collective agreements.

### *\$500 Lump sum for principals employed as at 1 December 2023*

The parties agree that an additional one-off gross lump sum of \$500 be paid to all primary principals employed as at 1 December 2023 who are bound by this Agreement. This will be pro-rated according to FTTE for part-time principals.

The minimum payment for any eligible principal, regardless of FTTE, will be \$50, and no principal shall receive more than gross \$500 in total.

This clause wording will be removed in subsequent collective agreements.

Guidance on the lump sums is included in the attached Annexe 1.

## 10. Replacement of Decile Based Payments with an Equity Index Based Payment

Principals in a school that falls within the top 40% of the Equity Index when it is calculated each year shall receive a payment based on the Equity Index number of the school multiplied by nine. This payment will replace the Decile based component of each principal's remuneration.

Transitional arrangements for this change are set out in clause 5.2.4(i).

#### **11. Increase to the Motor Vehicle Allowance Rate**

The parties agree to increase the motor vehicle allowance rate referred to in 6.1.5 from 62 cents per kilometre, to 83 cents per kilometre, from the start of Term 2, 2023.

#### **12. Related matters**

We note that this settlement will be implemented by the Education Payroll by 14 June 2023, providing it is ratified by 5 April 2023.

The parties agree that the terms and conditions in the collective agreement, bar the \$750 lump sum, can be passed on to non-union staff.

#### **13. Technical changes**

The parties agree to make any technical changes that are mutually agreed prior to the collective agreement going out for ratification. Refer to Annexe 2 for the changes agreed at date of signing.

The parties on signing this document acknowledge, subject to any subsequent agreed editorial and technical changes, that this reflects the agreements reached in the settlement of the *Primary Principals' (PPCBU) Collective Agreement 2022-2024*.
