Notes:

- 1 Data relates to students enrolled at any time during the year with a tertiary education provider in formal qualifications of greater than 0.03 EFTS (more than 1 week of full-time study).
- 2 Data excludes all non-formal learning and on-job industry training.
- 3 Data includes those private training establishments that received Student Achievement Component funding, and/or had students with student loans or all other tertiary education providers (OTEPs).
- 4 Private training establishment includes other tertiary education providers (OTEPs).
- 5 First year of tertiary study is self-reported by students and so the data should be treated with caution.
- 6 Students are counted in each sub-sector they enrol in, so the sum of the various sub-sectors may not add to the total.
