CONTRACT AGREEMENT

Contract Agreement to NZS 3910:2013, Conditions of contract for building and civil engineering construction, is amended and replaced by the following.

CONTRACT FOR {. . .}

CONTRACT NUMBER CE1650

THIS AGREEMENT is made on [__.][<To be completed>]

BETWEEN [<To be completed>][{. . .}] (Contractor)

AND The Sovereign in right of New Zealand acting by and through the Secretary (Principal) for Education

IT IS AGREED as follows:

1. The Contractor shall carry out the obligations imposed on the Contractor by the Contract.

2. [The Principal shall pay the Contractor the sum of [<TBC>][{. . .}] or such greater or lesser sum as shall become payable under the Contract together with goods and services tax at the times and in the manner provided in the Contract.]

3. [This is a remediation contract and the Accepted Tender Price (being the price accepted by the Principal as tendered by the Contractor comprising of lump sum amounts and the specified Provisional Sums is [<TBC>][{. . .}] or such greater or lesser sum as shall become payable under the Contract together with goods and services tax at the times and in the manner provided in the Contract. It is recognised by the Principal that in remediation contracts that after work has commenced, additional work may be required, and where such additional work is required the Contractor can apply for this additional work to be treated as a Variation.]

4. Each party agrees to the terms and conditions as set out in the Contract.

5. The Contract comprises the following documents:

   (a) This Contract Agreement;
   (b) The notification of acceptance of tender or award of Contract[ dated { . . .}]
   (c) The following post-tender documents:
       • [<TBC>]
       • [{ . . .}]
   (d) Notices to tenderers:
       • [<TBC>]
       • [{. . .}]
   (e) Schedule 1: Special Conditions of Contract – Specific Conditions of Contract;
   (f) Schedule 2: Special Conditions of Contract – Other Conditions of Contract including Appendices);
   (g) The General Conditions of Contract based on NZS 3910:2013 (including other Schedules);
   (h) The following Specifications:
       • [<TBC>]
       • [{. . .}]
       • Any other Specifications issued prior to the Date of Acceptance of Tender;
The following Drawings:
- [TBC]
- [.
od]
- Any other Drawings issued prior to the Date of Acceptance of Tender;

(j) The Schedule of Prices [dated {. .}];

(k) The following request for tender documents:
- [TBC]
- [.
od]

(l) The following documents comprising the Contractor's Tender:
- [TBC]
- [.
od]

(m) [The following additional documents: ]

6. The documents comprising the Contract shall be taken as mutually explanatory, but in the case of ambiguity or conflict the priority of documents shall be as listed in clause 4 above, with each document prevailing over a document lower in the list.

7. This Contract shall constitute the entire agreement between the parties. This Contract supersedes all prior negotiations, representations, and warranties, except insofar as the same are expressly incorporated herein.

8. This Contract may be executed in counterparts and by electronic signature, and provided that each party has executed a counterpart, the counterparts together shall constitute a binding and enforceable agreement between the parties. A party shall be entitled to transmit an electronic copy of this Contract by email (or other electronic means) to the other party.

[SIGNED for and on behalf of the Contractor by:

#### 8.9 Principal's option to insure public liability

**8.9.1** Where required *(see 8.1 above)*, the Principal shall effect public liability insurance for an amount not less than:

- The lead insurer is: 
- Address of lead insurer: 
- The Nominal Deductible is: 

In accordance with 8.7.2:
- the policy wording title is: 
- extraordinary exclusions, conditions, warranties, or endorsements to the policy are: 

**8.9.2** Such public liability insurance may include sub-limits for: *(specify as applicable or state 'not applicable')*

- Liability arising out of vibration, weakening or removal of support: N/A

#### 9. VARIATIONS

**9.3 Valuation of Variations**

**9.3.9** For On-site Overheads:

- The prices and rates in the Schedule of Prices are inclusive of full allowance for On-site Overheads.
- The prices and rates in the Schedule of Prices are exclusive of On-site Overheads and the allowance for On-site Overheads to be added in accordance with 9.3.9 is:
  1. Agreed percentage: N/A
  2. As nominated in the Schedule of Prices: N/A
  3. As nominated in the Contractor's tender: N/A
  4. A reasonable percentage. N/A

**9.3.10** For Off-site Overheads and Profit:

- The prices and rates in the Schedule of Prices are inclusive of full allowance for Off-site Overheads and Profit.
- The prices and rates in the Schedule of Prices are exclusive of Off-site Overheads and Profit. The allowance for Off-site

Schedule 2 – Special Conditions of Contract – Other Conditions of Contract

The General Conditions of Contract, NZS 3910:2013 Conditions of contract for building and civil engineering construction, are amended as set out herein.

Clause numbers refer to the General Conditions, or additional clause numbers.

1 INTERPRETATION

1.2 Definitions

Add the following definitions

Asbestos Handling Requirements  The requirements stated in Appendix F – Asbestos Handling Requirements

Environmental Requirements  The requirements stated in Appendix E – Environmental Requirements

Health and Safety Requirements  The requirements stated in Appendix D – Health and Safety Requirements

HSWA Regulator  Means Worksafe or the relevant designated regulatory agency under the Health and Safety at Work Act 2015

Ministry of Education  Means the Principal

Notifiable Event  Means deaths, injuries, illnesses and incidents which are required by law to be notified to the HSWA Regulator

Other Documents  Means any reports, manuals, programmes, software, models, data or other documents and information (whether in physical or electronic form) prepared by or on behalf of the Contractor

Principal  Means the Sovereign in right of New Zealand acting by and through the Secretary for Education

Project Control Group or PCG  As defined in 5.23

Replacement Bond  means a Contractor’s Bond that:

(a) is from a bank registered in New Zealand, or where the surety is not a bank registered in New Zealand, from a surety with a minimum Standard & Poor’s long term unsecured credit rating of A;

(b) is from a surety that has an office or location within New Zealand where it is possible to call on the bond;

(c) complies with the form set out in Schedule 3;

(d) is for an amount equal to 5% of the Contract Price; and

(e) is properly executed by the Contractor and the named surety
School  
Means the board of trustees of the school named in the Special Conditions acting by and through its duly authorised representative.

Weathertightness Requirements  
Means the document titled “Weathertightness and Durability Requirements for Schools” (Ministry of Education – Aug 2014)  
Refer: http://www.education.govt.nz/school/property/state-schools/design-standards/weather-tightness-and-durability-design/

2  
THE CONTRACT

[2.1.1 Delete and replace with:]  
This is a remediation contract comprising of lump sum elements together with Provisional Sums. 
It is recognised by the Principal that in remediation contracts that after work has commenced, 
additional work may be required, and where such additional work is required the Contractor can 
apply for this additional work to be treated as a Variation.]

2.6  
Evidence of Contract

2.6.1 Delete and replace with:  
No contract or other legal relationship shall exist between the Contractor and the Principal until 
the Contract Agreement is executed by both parties.

2.6.2 Delete and replace with:  
No payment otherwise due under the Contract shall become payable until the Contract is signed 
by the Contractor and delivered to the Engineer.

2.8  
Documents prepared by the Contractor

2.8.2 Add the following to the end of 2.8.2  
The Contractor grants to the Principal (for itself and on behalf of the applicable Subcontractors) 
an irrevocable, perpetual, transferable, non-exclusive, royalty-free licence to use and copy the 
Drawings, Specifications and Other Documents prepared by or on behalf of the Contractor  and 
whether prepared before or after the Date of Acceptance of Tender in relation to the Contract or 
the Contract Works.

2.9  
Assignment

2.9.1 Delete and replace with:  
The Contractor may not assign the whole or any part of the Contract without the prior written 
consent of the Principal.

3  
BONDS

3.1  
Contractor’s Bond

3.1.2 Add the following to the end of 3.1.2  
The surety must be a bank registered in New Zealand or other surety approved by the Principal. 
Where the surety is not a bank registered in New Zealand, the surety under the Contractor’s Bond 
is to be and remain a financial institution with a Standard & Poor’s long term unsecured credit...
rating of A, to be demonstrated to the Principal’s satisfaction. The surety must have an office or location within New Zealand where it is possible to call on the bond.

3.1.6 In 3.1.6(a) and (b) delete "up to Practical Completion" and replace with "up to the date of issue of the Practical Completion Certificate".

3.1.9 Delete 3.1.9.

3.1.11 Add new 3.1.11

If the:

(a) Contract Price increases (from the amount recorded in clause 2 of the Contract Agreement); or

(b) surety under the Contractor’s Bond is not a bank registered in New Zealand and that surety’s Standard & Poor’s long term unsecured credit rating falls below the required A rating,

then the Principal may (in its absolute discretion) require the Contractor to provide a Replacement Bond. The Contractor shall provide to the Principal the Replacement Bond promptly on request.

3.1.12 Add new 3.1.12

Where the Contractor is required to provide a Replacement Bond, the Principal will not be liable to make any further payments under the Contract until the Contractor has delivered the Replacement Bond to the Principal. Within 14 days of receipt of a Replacement Bond, the Principal shall release the Contractor and the surety from their liability under the previous bond.

4 SUBCONTRACTS

4.1 General

4.1.4 Add new 4.1.4

The Contractor must engage the key Subcontractors listed in the Special Conditions for the works stated in the Contractor’s tender or in the Special Conditions. The Contractor shall not terminate any such engagement or in any other way replace the named Subcontractor without the prior written consent of the Engineer whose consent shall not be unreasonably withheld. Such key Subcontractors shall not be Nominated Subcontractors.

4.1.5 Add new 4.1.5

The Contractor shall, promptly upon execution of any key subcontract named in the Special Conditions, procure from the key Subcontractor a continuity guarantee in favour of the Principal in the form set out in Schedule 17. No payment otherwise due under the Contract shall become payable until the key Subcontractor has executed the continuity guarantee and the Contractor has delivered the continuity guarantee to the Principal.
5 GENERAL OBLIGATIONS

5.1 General responsibilities

5.1.7 Add new 5.1.7

The Contractor shall ensure that the Contract Works (insofar as they include any design responsibility on the part of the Contractor) comply with the Weathertightness Requirements.

5.3 Control of employees

5.3.2 Number the existing "5.3.1" and add new 5.3.2

The Contractor must employ the key personnel named in the Special Conditions in the positions nominated in the Contractor's tender or in the Special Conditions, and ensure that such key personnel are dedicated to the Contract Works until they have, in the opinion of the Engineer, completed their relevant functions in relation to the Contract Works. The Contractor shall not remove any such key personnel from their stated position without the prior written consent of the Engineer whose consent shall not be unreasonably withheld. Where any key personnel named in the Special Conditions are removed (with the Engineer's prior written consent), or where any key personnel has resigned or is unable to perform their role due to sickness or death, any replacement key personnel must be approved in writing by the Engineer.

5.3.3 Add new 5.3.3

The Contractor shall comply with all Ministry of Education police vetting requirements prior to any of its personnel or Subcontractors accessing any part of the Site. Details may be found on the following web site: http://www.education.govt.nz/school/property/state-schools/project-management/boards-of-trustees-role/police-vetting/.

5.4 Possession of the Site

5.4.1 Add the following sentence to 5.4.1

Any representative nominated by the Principal shall have access at all reasonable times to the Site and to all places where the work is being carried out. The Contractor shall afford every reasonable facility for, and assistance in, obtaining access for any such nominated representative.

5.7 Protection of Persons and property

Delete 5.7.1 to 5.7.7 and replace with

5.7.1 So far as the Site, Materials and the Contract Works are under the Contractor's management or control, the Contractor shall ensure, so far as reasonably practicable, that the Site, Materials and Contract Works, including the means of entering and exiting the Site and anything arising from the Site are without risks to the health and safety of any Persons.

5.7.2 The Contractor shall ensure, so far as is reasonably practicable that the health and safety of any:

(a) workers involved in carrying out the Contract Works;

(b) workers whose activities in carrying out work are influenced or directed by the Contractor; and

(c) any other Person,
is not put at risk from the carrying out of the Contract Works.

5.7.3 The Contractor must have in place and operate throughout the carrying out of the Contract Works:

(a) ongoing hazard and risk identification and mitigation processes;

(b) processes to ensure that workers engaged in carrying out the Contract Works have the necessary information and competencies to undertake the relevant Contract Works safely and, if those workers do not, that they are adequately supervised by the Contractor;

(c) appropriate procedures for dealing with emergencies that may arise; and

(d) an effective drug and alcohol policy that applies to its workers.

5.7.4 The Contractor shall:

(a) keep a record of all Notifiable Events for at least 5 years from the date on which notice of the relevant event is given to the HSWA Regulator;

(b) as soon as possible after becoming aware that a Notifiable Event arising out of the carrying out of the Contract Works has occurred, ensure that the HSWA Regulator and the Principal are notified of the event; and

(c) so far as the Site and the Contract Works at which any Notifiable Event has occurred are under the Contractor's management or control, take all reasonable steps to ensure that the Site or the Contract Works where the Notifiable Event occurred is not disturbed until authorised by the HSWA Regulator.

5.7.5 Following the Notifiable Event the Contractor shall:

(a) give to the Principal through the Engineer a copy of any information or notice which the Contractor is required to provide or make to the HSWA Regulator relating to that Notifiable Event as soon as possible and at the latest, within 24 hours of the Notifiable Event occurring;

(b) within one week of the Notifiable Event, provide the Principal through the Engineer a report giving complete details, including results of investigations, into the cause of the Notifiable Event and any recommendations or strategies for prevention of any similar Notifiable Event in the future; and

(c) provide the Principal with such assistance as may be reasonably necessary to conduct a Notifiable Event incident or accident investigation.

5.7.6 The Contractor must, as soon as possible, notify the Principal through the Engineer of any proceedings and/or enforcement action it is issued with.

5.7.7 The Contractor shall provide the Principal or its appointed representative with access to the Site and personnel in order to review, monitor or audit the Contractor's health and safety procedures and practices, as deemed appropriate by the Principal at any time with or without notice. The Contractor shall rectify any issues raised in any health and safety audits, reviews or monitoring. If the Principal or the Engineer, acting reasonably, are not satisfied with the results of any health and safety audit, review or monitoring under this clause, the Principal may appoint (at the cost of the Contractor) an independent health and safety supervisor on the Site. The Contractor shall ensure that any Subcontractors comply with all instructions given to the Engineer (or directly to the Contractor) by the health and safety supervisor appointed by the Principal under this clause. The Contractor warrants that all contract(s) it has with the Subcontractors in relation to the
Contract Works obligate the Subcontractor(s) to comply with instructions of the Engineer in relation to health and safety matters at the Site. Where the health and safety supervisor gives instructions directly to the Contractor, the Contractor shall ensure that it immediately requires all relevant Subcontractors to comply with those instructions.

5.7.8 The Principal shall notify the Contractor through the Engineer of any safety hazards or risks associated with the Contract Works (including any specific safety hazards or risks identified by the Contractor) or the Site, or special safety measures required, of which the Principal or the Engineer are aware, and with which an experienced contractor may not reasonably be expected to be familiar.

5.7.9 The Contractor shall provide all over-seeing and provide, erect, maintain and when no longer required remove all barricades, fencing, temporary roadways and footpaths, signs, and lighting necessary for the effective protection of property, for traffic, and for the safety of others.

5.7.10 The Contractor shall, so far as is reasonably practicable, engage with workers (including all workers of the Contractor and Subcontractors and any workers who are likely to be directly affected by the work) involved in carrying out the Contract Works in relation to health and safety matters concerning the Site or the Contract Works. The Contractor shall have procedures in place that provide reasonable opportunities for such workers to participate effectively in improving health and safety in respect of the Site and the Contract Works on an ongoing basis.

5.7.11 The Contractor shall so far as is reasonably practicable co-ordinate, consult and cooperate with all other duty-holders in relation to the Contract Works, including the Principal. The Contractor shall facilitate engagement between the Contractor, the Engineer, the Principal (and where requested by the Principal, its designers) and any other relevant third parties including the relevant school(s) in relation to health and safety matters.

5.7.12 If during the term of the Contract the Engineer considers the Contractor is:

(a) not conducting the Contract Works in compliance with the Site-specific safety plan, relevant legislation, applicable codes of practice or standards, or any other requirements for health and safety set out in the Contract, including the Health and Safety Requirements; or

(b) conducting the Contract Works in such a way as to endanger the health and safety of any workers of the Contractor or Subcontractors, or any other Person,

the Engineer may instruct the Contractor to suspend the Contract Works until the Contractor has rectified its failure to comply with its obligations to the satisfaction of the Engineer.

5.7.13 The Contractor shall hold health and safety accreditations which have been approved by the Principal and which satisfy any national management system standards stated in the Special Conditions and provide written evidence of such accreditations to the Principal on request.

5.7.14 The Contractor shall comply with the Health and Safety Requirements.

5.7.15 The Contractor shall use all reasonably practicable endeavours to go beyond mere compliance with the Health and Safety Requirements and achieve good New Zealand industry practice with regards to health and safety in the carrying out of the Contract Works.

5.7.16 The Principal or the Engineer may object to and direct the Contractor to immediately remove from the Site any personnel who fail to comply with the requirements for health and safety in the Contract, including the Health and Safety Requirements or who cause any act or omission likely to give rise to a breach of the requirements for health and safety in the Contract, including the Health and Safety Requirements. The Contractor shall pay any costs associated with such removal and subsequent replacement. Any person required to be removed (or prevented access)
shall not again be employed in relation to the Contract Works without the permission of the Engineer.

5.7.17 The Contractor shall comply with the Asbestos Handling Requirements.

5.7.18 The Contractor shall provide to the Principal through the Engineer a health and safety report, the frequency of which shall be as required by the Special Conditions, and which meets any requirements for health and safety reports set out in the Contract and is in such form as may be required by the Principal from time to time.

5.7.19 The Contractor shall take all reasonable steps to avoid nuisance and prevent damage to property.

5.7.20 The Contractor shall:

(a) obtain similar undertakings as those stated in clauses 5.7.1 to 5.7.19 from all Subcontractors in relation to the subcontract works; and

(b) actively manage and monitor each Subcontractor’s compliance with those undertakings.

To the maximum extent permitted by law, the Contractor shall be responsible for any non-compliance by any Subcontractor and the Contractor shall immediately provide evidence of compliance with this clause by all relevant Subcontractors, and by the Contractor, on request by the Principal.

5.9 Materials, labour, plant

5.9.2 Delete third sentence of 5.9.2 and replace with

All work shall be carried out in a tradesman-like manner and in accordance with best New Zealand industry standards.

Add the following additional clause

5.9.4 The Contractor must comply with the requirements of the Drawings and Specifications. Where the Contractor wishes to propose alternative products or materials to those specified by the Drawings and Specifications, the Contractor must seek the approval of the Engineer in writing. Details of the proposed substitution must be provided to the Engineer by the Contractor to highlight the advantages that will accrue as a result of implementing the proposed change. If the Contractor submits a proposal for a substitute product the Engineer may:

(a) decline to consider the alternative product or material any further;

(b) accept the alternative product or material; or

(c) request that the Contractor provide further information in relation to the alternative product or material.

The further information which might be requested by the Engineer may, without limitation, include a certificate or warranty from a body or person nominated or described by the Engineer to the effect that the technical aspects of the performance benefits of the alternative material or product which will be delivered to the Engineer are no less appropriate or beneficial than those derived through the Drawings and Specifications.

If the Engineer makes a request pursuant to paragraph (c) and the Contractor does not provide the further information the Engineer may decline to consider the alternative product or material any further.
5.11 Compliance with laws

Add the following additional clauses

5.11.1 The Contractor shall comply with the Environmental Requirements

5.11.12 The Contractor shall indemnify and keep indemnified the Principal from all costs damage, fines, penalties, loss and expense incurred or suffered by the Principal in respect of any breach of the RMA, directly or indirectly related to a breach by the Contractor of any of its obligations set out in 5.11 except that the Contractor's liability shall be reduced proportionately to the extent that the Principal or any person for whose acts or omissions the Principal is as between itself and the Contractor responsible, caused or contributed to that liability.

5.11.13 If the Contractor becomes aware that it is or may be in breach, or is likely to be in breach of any of its obligations under 5.11.11 then the Contractor shall immediately notify the Engineer of such breach or anticipated breach.

5.11.14 The Contractor shall hold the environmental accreditations which have been approved by the Principal and which satisfy any national management system standards stated in the Special Conditions.

5.12 Intellectual property

5.12.1 Delete 5.12.1.

5.17 Safety plan

Delete 5.17.1 and 5.17.2 and replace with

5.17.1 The Contractor shall prior to commencement of the Contract Works on Site:

(a) undertake a Site-specific risk assessment; and

(b) prepare and submit to the Engineer a Site-specific safety plan for the execution of the Contract Works.

5.17.2 The Site-specific safety plan shall:

(a) address the means by which the Contractor intends to meet its obligations under 5.7, including meeting the Health and Safety Requirements;

(b) address any critical risks that the Principal has identified in relation to the Site or the Contract Works; and

(c) be updated as the Contract Works progress to incorporate hazards or other risks to health and safety not foreseen at the time of submitting the original Site-specific safety plan.

5.17.5 Add to the beginning of 5.17.5:

The Contractor must comply with the Site-specific safety plan accepted by the Engineer under 5.17.4.
5.20 As-built drawings and operation and maintenance manuals

5.20.4 Add new 5.20.4

Where required by the Special Conditions, the documents and information required to be provided by the Contractor under 5.20 shall be in sufficient detail and in a form appropriate to allow the Principal to accurately update the Principal’s records, including Geographical Information System (GIS) records.

5.21 Advance Notification

5.21.1(b) Add "or any Separable Portion" to the end of 5.21.1(b).

Add the following additional clauses

5.22 Environmental compliance plan

5.22.1 Where required by the Special Conditions, the Contractor shall prepare and submit to the Engineer an environmental compliance plan for the execution of the Contract Works.

5.22.2 The environmental compliance plan shall address the means by which the Contractor intends to meet its obligations under 5.11 and any other requirements for environmental compliance set out in the Contract or in any licences obtained or to be obtained by the Principal or the Contractor under 5.11.

5.22.3 Within 5 Working Days of receipt of the Contractor’s environmental compliance plan, or revised environmental compliance plan, the Engineer shall notify the Contractor in writing whether or not he or she accepts the plan. Such acceptance shall not be unreasonably withheld. Where the Engineer does not accept the plan, the notice shall include the Engineer’s reasons, and the Contractor shall submit a revised environmental compliance plan.

5.22.4 The Contractor shall not commence any part of the Contract Works unless the Engineer has accepted the environmental compliance plan or revised environmental compliance plan.

5.22.5 Compliance with the environmental compliance plan shall not relieve the Contractor from any of its duties, obligations, and liabilities under the Contract.

5.23 Project Control Group

5.23.1 The Principal and the Contractor intend for the Contract to be performed within a co-operative and trusting working relationship between the parties. Where required by the Special Conditions, a Project Control Group (PCG) aimed at achieving this intention will be established prior to commencement of any works on Site.

5.23.2 The PCG shall be made up of:

(a) a representative nominated by the Principal, which may include a representative from the Ministry of Education’s Schools Infrastructure Group, a School Property Advisor and/or any other agent of the Principal employed for this purpose;

(b) the Engineer; and

(c) one representative from the Contractor.

5.23.3 The Engineer shall chair the meetings and take the minutes of meeting.
5.23.4 The Principal or Engineer may request the presence of one representative from the School Board of Trustees or the School principal, the architect or the quantity surveyor at certain PCG meetings as the Principal or the Engineer (as the case may be) considers necessary.

5.23.5 The PCG shall work for the entire project duration and be responsible for providing the project with direction on all matters in which delivery of the Contract Works can be improved in terms of quality, timeliness and cost effectiveness. No consideration or concurrence of any members of the PCG will have any effect to the Contract unless the Engineer gives the Contractor a written instruction, and no decision of the PCG shall have any effect on the Contract unless the Engineer gives the Contractor a written instruction and for the avoidance of doubt, no decision at a PCG meeting shall constitute a Variation unless it is instructed in writing by the Engineer in accordance with Section 9. The Engineer shall provide prompt decisions and approvals for the PCG. The Contractor shall provide advice to the PCG on all matters relating to the construction of the Contract Works.

5.23.6 The Contractor must deliver to the Principal, and to the other regular PCG members, a monthly status report on the progress of the Contract Works, in a form which is acceptable to the Principal. The Engineer may, at any time, require that the Contractor provide a special status report. The Contractor must deliver that special status report to the Engineer within five Working Days of receiving the request. A status report must be provided as a requirement of Practical Completion of each Separable Portion of the Contract Works.

5.24 Conflict of Interest

The Contractor acknowledges and agrees that it:

(a) has no, and is not aware of any conflict of interest, that it has not disclosed in writing to the Principal prior to signing the Contract, including but not limited to any personal or professional relationship that the Contractor (or its directors, majority shareholders, or individual owner(s)) has with any member of the School Board of Trustees or a School staff member, and the Contractor undertakes to advise the Principal immediately if any conflict of interest should arise; and

(b) is not the subject of any claim brought by the Ministry of Education or any School Board of Trustees for defective workmanship, and will notify the Principal immediately if any such claim is brought.

5.25 Salvaged Materials

The Contractor shall carefully remove the materials (if any) listed in the Special Conditions as salvage from the Site (Salvaged Materials). All Salvaged Materials shall remain the property of the Principal and the Contractor shall keep the Salvaged Materials safe and secure, and shall dispose of them as directed by the Engineer. Any materials not listed in the Special Conditions may be salvaged by and shall become the property of the Contractor, and must be removed from the Site by the Contractor at the Contractor’s cost. The Contractor shall be deemed to have allowed at its entire cost everything necessary to comply with this clause and shall not be entitled to any Variation or Extension of Time in relation to compliance with this clause.

7. INDEMNITY

7.1.3 Delete 7.1.3 and 7.1.4 and replace with:

The Contractor's liability to indemnify the Principal shall be reduced proportionately to the extent that the act or omission of the Principal or its servants or agents may have contributed to the loss, liability or Cost.
8 INSURANCES

8.1 Insurances – General

8.1.7 Add the following new clause 8.1.7

8.1.7 Notwithstanding any other clause in this Contract, the Contractor acknowledges and agrees that:

(a) the Principal:

(i) provides its own funding for any losses arising out of damage to the existing structures and other structures in the vicinity of the Contract Works listed in the Special Conditions (Losses) up to a certain amount per annum (Principal Liability Amount);

(ii) will have in place insurance policies required under this Contract in respect of any Losses that arise in excess of the Principal Liability Amount; and

(iii) is not in breach of its insurance obligations under this Contract despite the absence of an insurance policy for any Losses up to the Principal Liability Amount.

(b) the Principal Liability Amount:

(i) will be an amount that is determined by the Principal (in its absolute discretion) from time to time, being $12,500,000 per annum as at the date of this Contract; and

(ii) is an aggregate amount that applies across the entirety of the Principal’s property portfolio. As such, the actual amount available for any Losses will vary, depending on whether the Principal has expended part, or all, of it for losses in respect of other properties owned by it;

(c) if any Losses are claimed in excess of the balance of the Principal Liability Amount at any given point in time, the Principal’s insurance policies will then apply in accordance with the terms of this Contract;

(d) every reference to a policy of insurance effected by the Principal under 8.8.2 in this Contract is to be read as being a reference to the Principal Liability Amount while any part of the Principal Liability Amount has not been expended;

(e) Nominal Deductibles are payable by the Contractor (to the extent that any Losses arise out of an act or omission of the Contractor or any Subcontractor or any employee, agent or invitee of the Contractor or any other party for whom the Contractor is responsible) in respect of any Losses covered by the Principal Liability Amount with the effect that, if Losses arise, the Contractor must pay the relevant Nominal Deductible even if the Principal Liability Amount is applicable to all or part of the Losses, as if that Nominal Deductible was an excess amount or insurance policy deductible.

8.2 Contractor arranged insurances – General

8.2.3 Add new sub paragraphs as follows

(c) The insurances are primary to and will respond in priority to any policy of insurance effected by the Principal which covers the same or similar interests; and

(d) The actions of one insured shall not affect the rights of any other insured.
8.5 Contractor arranged public liability insurance

8.5.1 In the fourth line of 8.5.1 after the words ", for an amount not less than that stated in the Special Conditions," add the words "and in the aggregate for products liability,"

Add new sub paragraphs to the end of 8.5.1 as follows

(d) Liability for damage to underground services;

(e) Products liability insurance;

(f) Liability arising from the use of construction machinery, including hired Plant, except when being used as a motor vehicle as defined in the Land Transport Act 1998; and

(g) Liability for loss or damage to any existing structures, or other structures in the vicinity and the contents of any of them, that are not specifically identified in Schedule 1 under 8.8.2 (a), (b) and (c).

8.7 Insurances – General

8.7.8 Add the following new clause 8.7.8

8.7.8 For the avoidance of doubt, the Contractor acknowledges and agrees that the Principal Liability Amount and the amendments to the scope of Nominal Deductibles set out in clause 8.1.7 applies in respect of any insurance requirements pursuant to clauses 8.7 and 8.8.2.

9 VARIATIONS

9.1 Variations permitted

9.1.1(b) Add to the end of 9.1.1(b)

… whether or not any such work omitted is subsequently carried out by a Separate Contractor or by the Principal itself.

9.2 Variation orders

9.2.1 Add the following sentence to 9.2.1

The Contractor must give immediate notice to the Engineer of any direction received from any representative of the Principal (or, where the Principal is the Ministry of Education, any representative of the School). The Contractor shall not be obliged to comply with any such instruction unless confirmed in writing by the Engineer. The Contractor will not be entitled to any adjustment to the Contract Price or the Due Date for Completion unless and to the extent the Engineer issues an order in writing instructing a Variation.

9.3 Valuation of Variations

9.3.15 Delete the last sentence of 9.3.15 and replace with

Where no such percentage is nominated, the Contractor shall not be entitled to the Cost of processing Variations whether or not they proceed.
9.4 Daywork

9.4.3 In the last sentence of 9.4.3 delete "in such case" and replace with "in the case of records signed by the Engineer".

9.6 Add the following clause 9.6

9.6 Variation Price Requests (VPR)

9.6.1 The Engineer may instruct the Contractor to provide a quotation for the price of work involved in a proposed Variation. The instruction will be clearly identified as "VPR", or Variation Price Request. Such an instruction will be in writing and shall not be a Variation unless subsequently instructed in writing as a Variation by the Engineer. The Contractor shall not be entitled to the Costs of processing or responding to any VPR under this clause 9.6.

9.6.2 Upon receipt of a Variation Price Request and the provision of sufficient information to comply with the requirements of this clause, the Contractor will prepare and provide a price, and any impact on the Due Date for Completion, in accordance with the following requirements (the "Contractor’s Response"):

(a) the price shall be submitted by the date (which shall be a date at least 5 Working Days after the date of the VPR) stated in the VPR, or if no such date or timeframe is stated, within 10 Working Days of receipt of the VPR by the Contractor or within such other reasonable time as may be agreed by the Engineer in writing;

(b) the price is to be fully broken down indicating all quantities, rates, costs and fees used, including references to applicable or analogous items in the Schedule of Prices;

(c) if the Contractor considers that works in the VPR will result in delay to completion of the Contract Works, the Contractor must state the period of any extension of time that it considers is necessary to carry out the works in the VPR;

(d) any time-related Costs associated with the extension of time referred to in item (c) are to be included and identified in the VPR;

(e) where requested by the Engineer, copies of any Subcontractor quotations are to be provided, and

(f) a price for a VPR is to be a fixed lump sum price.

9.6.3 The Engineer shall be entitled to accept the Contractor’s Response or decline the Contractor’s Response, or endeavour to negotiate an agreed price and any extension of time for the works in the VPR.

9.6.4 If, pursuant to 9.6.3, the:

(a) Engineer elects to accept the Contractor’s Response; or

(b) parties negotiate an agreed price and any extension of time for the works in the VPR,

and the Engineer elects to proceed with the VPR, the VPR shall be instructed in writing as a Variation.
10 TIME FOR COMPLETION

10.2 Due Date for Completion

10.2.1 Delete 10.2.1 and replace with

The Due Date(s) for Completion is specified in the Special Conditions, Schedule 1, as may be adjusted for extensions of time, if any, awarded under 10.3.

10.3 Extension of time

10.3.1(b) Add to the end of 10.3.1(b)

... greater than the interference for inclement weather that could reasonably be expected by an experienced contractor for the season in which the Contract Works are being carried out.

10.3.1(d) Delete 10.3.1(d) and replace with

Loss or damage to the Contract Works or Materials other than loss or damage caused by any negligent act, negligent omission or other negligent default of the Contractor or of any person for whose acts or omissions the Contractor is as between itself and the Principal responsible.

10.3.6 Delete first sentence of 10.3.6 and replace with

The Engineer may where practicable in lieu of granting an extension, taking into account the resources available to the Contractor, instruct the Contractor to accelerate the rate of working to offset in part or in total any delay in respect of which the extension would otherwise be granted under this 10.3.

10.3.8 Add new 10.3.8

Where there has been a delay to the Contract Works which does not entitle the Contractor to an extension of time pursuant to 10.3.1, the Contractor shall take all reasonable steps as the Engineer may, taking into account the resources available to the Contractor, instruct the Contractor to take to expedite progress by applying additional resources if necessary or working longer hours or in whatever other manner he or she may require. Any steps taken by the Contractor under 10.3.8 to expedite progress of the work shall not entitle the Contractor to claim a Variation.

10.3.9 Add new 10.3.9

The following rules shall apply to the Engineer's assessment of the Contractor's entitlement to an extension of time under 10.3.1:

(a) the event in respect of which the extension of time is sought must be one listed in 10.3.1;

(b) the event in respect of which the extension of time is sought must have caused, or will cause, actual delay to Practical Completion of the Contract Works. No extension of time will be granted unless the delay has affected the critical path of the Contract Works such that Practical Completion cannot be achieved by the Due Date for Completion; and

(c) where the Contractor suffers delay in completion of the Contract Works which is caused by two or more events, at least one of which entitles the Contractor to an extension of time ("Valid Event") and at least one of which does not entitle the Contractor to an extension of time ("Invalid Event"), the Contractor shall only be entitled to the period of extension attributable to the Valid Event(s) which exceeds any period of extension attributable to the Invalid Event(s).
10.3.10 Add new 10.3.10

The Contractor will be entitled to claim and the Principal will be entitled to grant an extension of time to the relevant Due Date for Completion whether or not the qualifying extension of time ground occurs before or after the relevant Due Date for Completion (including, for the avoidance of doubt, in relation to the net effect of any Variation).

10.4 Practical Completion Certificate

10.4.2 Add to end of 10.4.2

The Contractor shall provide notice in writing to the Principal and the Engineer at least 48 hours prior to any inspection confirming that:

(a) a thorough inspection of the Contract Works has been made by the Contractor, with a copy of the defects list from that inspection and a copy of the relevant consultants’ approval(s) attached;

(b) all defects on the attached defects list have been remedied (or stating the reason(s) why any defects are outstanding and when these defects will be remedied);

(c) the Contract Works are ready for inspection by the Engineer;

(d) all necessary inspections of the Contract Works have been carried out by the relevant authority; and

(e) any other Requirements as specified by the Special Conditions have been met.

10.4.5 Add to the end of 10.4.5

(c) any other Requirements as specified by the Special Conditions have been met.

10.5 Damages for late completion

10.5.3 Add the following sentence to 10.5.3

The Principal’s entitlement to give notice to the Engineer in accordance with 12.2.4 and 12.5.2 requiring the deduction of liquidated damages shall not preclude the Engineer from including in his or her certification under 12.2.2(d) or 12.5.1(d) an assessment of liquidated damages payable in accordance with 10.5.1.

11 DEFECTS LIABILITY

11.5 Warranties

11.5.2 Add " , Schedule 18" after "Schedule 13".

11.5.4 Add new 11.5.4:

Notwithstanding any warranty provided by any Subcontractor (including suppliers) in accordance with this 11.5, and without limiting any obligation of the Contractor under the Contract or at law, the Contractor warrants to the Principal that the Contract Works listed in Appendix C shall be free from defects in materials or workmanship for the lesser of:

(a) the Warranty Period stated in Appendix C; or
(b) 10 years from the date of Practical Completion.

12 PAYMENTS

12.2 Progress Payment Schedules

12.2.8 Add to the end of 12.2.8

… or as otherwise provided in the Special Conditions.

12.3 Retention Monies

12.3.1 Delete 12.3.1 and replace with

The Principal shall retain out of the amount which would otherwise be payable to the Contractor, the defects liability retention. The Contractor acknowledges that the defects liability retention, recorded in 12.3.1, 12.3.2 in Schedule 1, is 100% of the total retention. For clarity, it is agreed that the amount to be retained in respect of the Contract Works shall not be reduced upon the completion of any Separable Portion under 10.7.2.

12.3.2 Delete 12.3.2(a)

12.3.3 Add to the end of 12.3.3 the following

Where a bond in lieu of retentions is being provided, the Contractor:

(a) will provide the bond to the Principal within 2 Months of the Date of Acceptance of Tender; and

(b) acknowledges that no payment otherwise due under the Contract will become payable until the Contractor and its surety have executed and delivered the bond in lieu of retentions to the Principal.

12.3.4 Add new 12.3.4

The Principal has or will establish a bank account (Retentions Account) into which it will place all retentions from amounts payable to consultants, suppliers and contractors engaged by the Principal in connection with all construction work being undertaken by the Principal from time to time and for whom the Principal is required to hold such retentions on trust under the Construction Contracts Act 2002 (the CCA). Without limiting the rights and obligations of the parties under the CCA the parties agree as follows:

(a) The Principal will hold the money in the Retentions Account on trust for all consultants, suppliers and contractors engaged by the Principal for whom:

(i) retentions apply under the terms of the relevant contract with such consultants, suppliers and contractors; and

(ii) the Principal is required to hold such retentions on trust under the CCA.

(b) Where any monies are retained by the Principal in accordance with 12.3.1, the Principal will as soon as reasonably practicable after making such retention, pay the retained amount into Retentions Account.

(c) The Principal may invest all or any of the retention monies in the Retentions Account and retain any returns received on such investment (including interest).
(d) If the Principal does not pay the retention monies to the Contractor on the date that it is
due to be paid to the Contractor under the Contract, the Principal will pay interest to the
Contractor on the unpaid amount, at the rate specified in, and calculated in accordance
with, 12.7.

12.3.5 Add new 12.3.5

The Contractor agrees that where it holds retentions from any Subcontractor:

(a) it will hold such retentions on trust for the relevant Subcontractor(s) and will otherwise hold
such funds in accordance with its obligations under the CCA, including using proper
accounting practices to ensure that such retention moneys are easily identifiable; and

(b) it has obligations under section 18FC of the CCA to keep proper accounting records of all
retentions, and it will, upon request from the Principal, make the relevant accounting and
other records available for inspection by the Principal at all reasonable times and without
charge.

12.5 Final Payment Schedule

12.5.9 Add to end of 12.5.9

… or as otherwise provided in the Special Conditions.

Add the following additional clauses

12.14 Set off

The Principal shall be entitled in accordance with the process under 12.2.4 or 12.5.2, to set off
against any sums that would otherwise be due to the Contractor under the Contract, whether
certified by the Engineer or otherwise, amounts in respect of any claims against the Contractor,
including damages for breach of contract by the Contractor.

12.15 Right to make direct payments

12.15.1 Should the Principal have reasonable grounds to consider that the Contractor has defaulted in
making payment to any Subcontractor in respect of any part of the Contract Works for which the
Contractor has been paid by the Principal, the Principal may require that, within five Working
Days of notification by the Principal to the Contractor, the Contractor:

(a) obtains written confirmation from the Subcontractor that the Subcontractor has received all
monies due and owing to it from the Contractor under the terms of the agreement between
the Contractor and the Subcontractor; or

(b) justifies to the Principal that the payment in question is the subject of a bona fide dispute; or

(c) makes payment to the Subcontractor to the extent required by the agreement between the
Contractor and the Subcontractor.

12.15.2 If the Contractor fails to undertake one of the courses of action outlined in clause 12.15.1 within
the time stipulated, the Principal shall have the right to pay that Subcontractor directly and deduct
such amount from any monies payable to the Contractor or otherwise recover the amount
concerned from the Contractor.
12.15.3 Any payment made by the Principal directly to a Subcontractor under this clause 12.15 shall be deemed to be in full satisfaction of any corresponding liability owed by the Principal to the Contractor.

12.15.4 The parties acknowledge that in the event of the Contractor:

(a) becoming bankrupt; or

(b) going into liquidation; or

(c) having a receiver or statutory manager appointed; or

(d) going into voluntary administration,

the Principal’s rights under this 12.15 may be subject to, or impacted by, the receiver’s, liquidator’s, statutory manager’s or administrator’s (as applicable) rights and as such the Principal may not be able to exercise some or all of its rights under this 12.15.

14 FRUSTRATION AND DEFAULT

14.2.1 Add sub-paragraph (d) as follows:

The Engineer certifying in writing to the Principal that in his or her opinion the Contractor is in breach of any of its obligations under 5.7 or 5.17.

14.2.2 Add sub-paragraph (d) as follows:

(d) going into voluntary administration.

Delete the fifth line and replace with:

...and the assignee, liquidator, receiver, statutory manager or administrator fails within 10 Working Days to make arrangements satisfactory to the Principal for the execution of the Contract Works, the Principal may at its option, after giving notice to the Contractor, either terminate the Contract or resume possession of the Site.

Add new sections as follows

16 DISCRETIONARY TERMINATION

16.1 Principal’s right to discretionary termination

16.1.1 The Principal may terminate the Contract at its discretion at any time until Practical Completion by written notice to the Contractor referring to this clause 16.1.1, and specifying the reason for the early termination.

16.1.2 In the event of termination under 16.1.1, the provisions of 14.1.2 shall apply.
17 CONFIDENTIALITY

17.1 Confidentiality

17.1.1 The Contractor and the Principal must use their best endeavours to keep confidential all matters relating to the Contract. The Contractor and the Principal must not disclose any information except to the extent that:

(a) The disclosure of that information is necessary for either party to carry out its obligations under this Contract or to enforce any of its rights under it; or

(b) That disclosure is required by law.

17.1.2 Subject to 17.1(a) and (b), the Contractor and the Principal must keep confidential any claim or dispute under the Contract.

17.1.3 The Contractor must not advertise its relations with the Principal or its involvement in the Contract Works without the written permission of the Principal.

17.1.4 The Contractor must ensure that its Subcontractors are bound by a similar clause in any subcontract.

18 PRIVITY OF CONTRACT

18.1 Privity

18.1.1 The obligations of the Contractor and any of its Subcontractors under the Contract shall, for the purposes of the Contracts and Commercial Law Act 2017, be deemed to be for the benefit of the School (including, its successors and assigns) and shall be enforceable by the School against the Contractor or any of its Subcontractors but not so as to impose any greater liability on the Contractor or its Subcontractors towards the School than the Contractor owes or owed to the Principal.
Add the following Appendix:

APPENDIX C – SUBCONTRACTOR WARRANTIES

[NOT USED]

[The Warranty Period runs from the date of Practical Completion.

[C.1 CHANGES/ADDITIONS TO STANDARD SUBCONTRACTOR WARRANTIES]

The standard subcontractor warranties in C.2 below are subject to the following changes/additions:

Add the following Appendix:

**APPENDIX D – HEALTH AND SAFETY REQUIREMENTS**

1. the Health and Safety at Work Act 2015 (*HSWA*);
2. all relevant Regulations made pursuant to the HSWA;
3. all approved codes of practice pursuant to the HSWA, to the extent relevant to the Contract Works;
4. all guideline publications issued by the HSWA Regulator, to the extent relevant to the Contract Works;
5. all relevant recognised standards as issued by any relevant standard issuing body;
6. the Principal’s health and safety processes and procedures as revised from time to time and available on the Ministry of Education’s website under the following link: [www.education.govt.nz/school/property/health-and-safety-management/](http://www.education.govt.nz/school/property/health-and-safety-management/);
Add the following Appendix:

APPENDIX E – ENVIRONMENTAL REQUIREMENTS

Not used

APPENDIX E – ENVIRONMENTAL REQUIREMENTS

E1 Waste Management Practices

E1.1 The Contractor shall ensure that its on-site waste management practices minimise the amount of construction and demolition waste going to disposal in accordance with the Green Star New Zealand MAN-5 Waste Management technical manual, as amended from time to time during the term of the Contract (MAN-5).

E1.2 The Contractor undertakes to minimise the amount of construction and demolition waste on Site going to disposal. The Contractor shall ensure that at least 70% of construction and demolition waste by weight is reused and/or recycled. Records must be kept by the Contractor to demonstrate the actual percentage of waste reused and/or recycled by weight and these must be reported to the Principal, at quarterly intervals, throughout the construction phase of the project.

E1.3 The Contractor shall comply with the guidelines set out in MAN-5, including, without limitation, the following:

(a) establish an on-site waste management area for the sorting and segregation of waste including colour-coded and clearly marked containers for various materials;

(b) provide copies of waste disposal subcontracts for recycling including details of the costs for collection and timing of the collection service;

(c) the Contractor and all Subcontractors (as applicable) shall participate in applicable waste minimisation training as appropriate from time to time;

(d) a waste minimisation plan shall be submitted to the Principal to identify how at least 70% of on-site construction waste by weight is to be reused and/or recycled;

(e) records must be kept by the Contractor to demonstrate the actual percentage of waste recycled, including weight and volume of all wastes leaving the Site and the destination and/or name of recycler/waste hauler;

(f) the provision of waste skips or bins at the waste storage area must be made for each of the following materials (some of these may be in combined skips provided evidence is provided to demonstrate that the waste contractor will separate these materials off-site):

(i) cardboard;
(ii) timber;
(iii) metal;
(iv) soft plastic;
(v) polystyrene;
(vi) insulation;
(vii) concrete;
(viii) glass; and
(ix) bricks.

E2 Users’ Guides

E2.1 The Contractor shall encourage and recognise information management that enables building users to optimise the school buildings’ environmental performance in accordance with the Green Star New Zealand MAN-6 Users’ Guide technical manual, as amended from time to time during the term of the Contract (MAN-6).

E2.2 The Contractor undertakes to develop and deliver the following information to the Principal, on or before Practical Completion, to optimise the environmental performance of the school buildings:

(a) Building Managers’ Guide (BMG) which provides detailed information for building managers on the environmental features of the school buildings;

(b) Building Users’ Guide (BUG) which provides accessible information for building users on the environmental features of the school buildings; and

(c) communication strategy outlining how the information in the BUG will be communicated to end users of the school buildings (i.e. through the school website, building tours and staff induction programmes).

E3 Compliance with Green Star New Zealand

E3.1 For the avoidance of doubt, the parties acknowledge that all costs incurred by the Contractor in complying with the Green Star New Zealand MAN-1 Green Star NZ Accredited Professional technical manual, as amended from time to time during the term of the Contract (MAN-1), MAN-5 and MAN-6 guidelines and all other compliance requirements necessary to achieve the required five-star rating from the Green Star New Zealand Education Building Rating Tool (2009), are included in the Contract Price.

E3.2 In accordance with MAN-1, the Contractor undertakes that a principal member of the on-Site team is a Green Star New Zealand Accredited Professional and will be engaged from the commencement of the Contract Works.
Add the following Appendix:

APPENDIX F – ASBESTOS HANDLING REQUIREMENTS

Asbestos Handling Requirements as revised from time to time and available on the Ministry of Education’s website under the following link:

Schedule 3 – Form of Contractor’s Performance Bond

Contract for: { . . . }, Contract Number CE1650

THIS DEED is made on ..............................................................................................................................

BY ..........................................................................................................................................................

of ......................................................................................................................................................... (‘the Contractor’)

AND ......................................................................................................................................................

of ......................................................................................................................................................... (‘the surety’)

............................................................................................................................................................ (Address of surety for service)

IT IS MADE IN THE FOLLOWING CIRCUMSTANCES

A   The Contractor has entered into an agreement with ........................................................................... (‘the Principal’) to carry out and fulfil the obligations imposed on the Contractor (‘the Contract’).

B   The Contract requires the Contractor to provide the Principal with security in the form of a bond to ensure performance of the Contractor’s obligations under the Contract.

C   Words and phrases with capital initial letters that are not otherwise defined in this bond shall have the meaning set out in the Contract.

BY THIS DEED

1.  THE Contractor and surety are jointly and severally held and bound to the Principal in the sum of $NZ ........................................................................................................ and bind themselves, their successors and assigns jointly and severally for the payment of that sum.

2.  THE surety irrevocably and unconditionally undertakes to pay to the Principal any sum or sums which may, from time to time, be demanded in writing by the Principal, up to an aggregate amount not exceeding the sum stated in clause 1 above. The surety shall make payment forthwith upon demand by the Principal, without enquiry as to, and without having regard to, the position as between the Contractor and the Principal, or whether or not the Contractor is in default under the Contract. Payment will be made without reference to, and notwithstanding any instruction from the Contractor to the surety to the contrary.

3.  ANY notice by the Principal under this bond shall be deemed to have been properly given if signed by the Principal or on behalf of the Principal by any of its agents, directors, or employees and sent by registered mail or delivered by hand to the surety at the address stated in this bond for service.

4.  THE conditions of this bond are that it shall be released if and when:

   (a)    A Practical Completion Certificate has been issued for the Contract Works in accordance with 10.4 of the General Conditions; or

   (b)    The surety receives a notice from the Principal releasing the Contractor and surety from this bond.
5. **EXCEPT** as provided in clause 4 above this bond shall be and remain in full force and effect.

6. **THE** surety shall not be released from any liability under this bond:
   (a) By any alteration in the terms of the Contract;
   (b) By any alteration in the extent or nature of the Contract Works to be completed, delivered, and having defects remedied;
   (c) By any allowance of time by the Principal or by the Engineer appointed by the Principal under the Contract; or
   (d) By any forbearance or waiver by the Principal or by the Engineer in respect of any of the Contractor’s obligations or in respect of any default on the part of the Contractor.

7. **NOTWITHSTANDING** any other provision of this bond, the surety may at any time pay the Principal the bond sum less any sums it may have previously paid under the bond, or a lesser amount as may be required or specified by the Principal. When paid, the liability of the surety shall be at an end.

8. **THIS** bond shall be governed by New Zealand law.

In witness of which this deed has been executed and delivered.

**SIGNED** on behalf of the surety by:

NOTE – This bond shall be executed by the Contractor and by the Surety in the manner required for execution of a deed. Any of the parties which are a company it shall execute the bond by having it signed, under the name of the company, by two or more directors. If there is only one director, it is sufficient if the bond is signed under the name of the company by that director, but the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address. Alternatively, companies may execute under power of attorney. A company executing under a power of attorney must attach appropriate certificates of non-revocation of power of attorney. Any party which is a body corporate (other than a company) shall execute in the same manner as a company by persons in a comparable position to a company director or otherwise in accordance with section 9 of the Property Law Act 2007. If the Surety is an individual, the person shall sign and the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address.
Schedule 4 – Form of Principal’s Bond

Not used
Schedule 5 – Form of Contractor’s Bond in Lieu of Retentions

Contract for:  [Contract Name & Contract Number]

THIS DEED is made on ..............................................................................................................................

BY ..........................................................................................................................................................

of ....................................................................................................................................................... ('the Contractor')

AND ........................................................................................................................................................

of ....................................................................................................................................................... ('the surety')

……………………………………………………………………………………............................................. (Address of surety for service)

IT IS MADE IN THE FOLLOWING CIRCUMSTANCES

A The Contractor has entered into an agreement with ................................................................. ('the Principal') to carry out and fulfil the obligations imposed on the Contractor ('the Contract').

B The Contract requires the Contractor to provide the Principal with security in the form of a bond in lieu of retentions additional to any other bond required under the Contract.

C Words and phrases with capital initial letters that are not otherwise defined in this bond shall have the meaning set out in the Contract.

BY THIS DEED

1. THE Contractor and surety are jointly and severally held and bound to the Principal in the sum of $NZ ........................................................................................................ and bind themselves, their successors and assigns jointly and severally for the payment of that sum.

2. THE surety irrevocably and unconditionally undertakes to pay to the Principal any sum or sums which may, from time to time, be demanded in writing by the Principal, up to an aggregate amount not exceeding the sum stated in clause 1 above. The surety shall make payment forthwith upon demand by the Principal, without enquiry as to, and without having regard to, the position as between the Contractor and the Principal, or whether or not the Contractor is in default under the Contract. Payment will be made without reference to, and notwithstanding any instruction from the Contractor to the surety to the contrary.

3. ANY notice by the Principal under this bond shall be deemed to have been properly given if signed by the Principal or on behalf of the Principal by any of its agents, directors, or employees and sent by registered mail or delivered by hand to the surety at the address stated in this bond for service.

4. THE conditions of this bond are that it shall be released if and when:

(a) A Final Completion Certificate has been issued for the Contract Works in accordance with 11.3 of the General Conditions; or

(b) The surety receives a notice from the Principal releasing the Contractor and surety from this bond.
5. **EXCEPT** as provided in clause 4 above this bond shall be and remain in full force and effect.

6. **THE** surety shall not be released from any liability under this bond:
   
   (a) By any alteration in the terms of the Contract;
   
   (b) By any alteration in the extent or nature of the Contract Works to be completed, delivered, and having defects remedied;
   
   (c) By any allowance of time by the Principal or by the Engineer appointed by the Principal under the Contract; or
   
   (d) By any forbearance or waiver by the Principal or by the Engineer in respect of any of the Contractor’s obligations or in respect of any default on the part of the Contractor.

7. **NOTWITHSTANDING** any other provision of this bond, the surety may at any time pay the Principal the bond sum less any sums it may have previously paid under the bond, or a lesser amount as may be required or specified by the Principal. Any such payment shall be deemed to have been made at the demand or request of the Principal and when paid, the liability of the surety shall be at an end.

8. **THIS** bond shall be governed by New Zealand law.

In witness of which this deed has been executed and delivered.

**SIGNED** on behalf of the surety by:

Special Terms:

HOT WORKS WARRANTY

It is warranted that in respect of the application of heat during works involving a naked flame or open heat source, the following precautions will be complied with on each occasion:

the area of the work will be cleared of combustible material for a safe distance from or beneath the place where such work is being carried out. A safe distance will be not less than six metres when welding or cutting operations are carried out. Where such precautions are impracticable such material will be covered with fireproof blankets or similar protective equipment. Combustible parts of premises will be similarly protected;

a fire extinguisher of a type and capacity suitable for the combustible material and the premises will be kept immediately adjacent to the area of work and available for immediate use;

equipment will be lit or switched on for as short a time as possible before use and extinguished immediately after use;

lighted or heated equipment will not be left unattended;

a thorough examination for any signs of combustion will be made within 1 hour after the area in which work has been undertaken half an hour after the termination of each period of work;

before applying heat to metal built into or projecting through walls, floors or ceilings an examination will be made to ensure that the other end of the metal is not in hazardous proximity to combustible material.
Schedule 13 – Form of Subcontractor Warranty

Contract for: {. . .}, Contract Number CE1650

THIS AGREEMENT is made on ....................................................................................................................................................... (insert date)

BETWEEN The Secretary for Education ('the Principal')

AND ..................................................................................................................................................................................... ('the Warrantor')

DEFINITIONS

‘Warranted Works’........................................................................................................................................................................

‘Warranty Period’.............................. years from the date of Practical Completion of the Contract Works

‘Contractor’ {. . .}

BACKGROUND

A The Principal has entered into a contract (the ‘Contract’) with the Contractor for carrying out the Contract Works. The Warranted Works are part of the Contract Works.

B The Contractor has agreed to arrange for the provision of a warranty in respect of the Warranted Works for the Warranty Period on the terms set out in this warranty.

C The Warrantor has agreed to provide a warranty in respect of the Warranted Works for the Warranty Period on the terms set out in this warranty.

D Words and phrases with capital letters that are not otherwise defined in this warranty shall have the meaning set out in the Contract.

IT IS HEREBY AGREED

1 The Warrantor warrants to the Principal that the Warranted Works are as required in the Contract If not otherwise specified the works shall be in accordance with good trade practice.

2 This warranty shall be in addition to and shall not derogate from any manufacturer’s warranty or any warranty implied by law or the Defects Notification Period in the Contract, attaching to any part of the Warranted Works.

3 Warrantor’s obligations

3.1 The Warrantor agrees that, if within the Warranty Period the Warrantor is advised by the Principal in writing of any defect in the Warranted Works for which the Warrantor is liable under the terms of this warranty, the Warrantor will promptly take steps to remedy the defect.

3.2 Any remedial work which the Warrantor is liable to undertake under this warranty shall be carried out:

(a) To the standard required by the Contract;
(b) In a prompt and timely manner;
(c) Without unnecessary inconvenience to any occupants;
(d) At the Warrantor’s Cost; and
(e) Subject to reasonable access being provided to the Warrantor for the purpose of carrying out the remedial work.

4 Failure by Warrantor to perform remedial work

4.1 If the Warrantor fails to promptly, adequately and satisfactorily carry out the remedial work, the Principal may then arrange for the remedial work to be carried out by others.

4.2 The Principal shall first give the Warrantor 10 Working Days’ notice, or such other reasonable time as agreed by the Principal, to carry out and complete the remedial work. If the Warrantor does not do so within that time, the Principal may then advise the Warrantor in writing that the work will be carried out by other Persons.

4.3 In such an event, the Warrantor is not released from its obligations under this warranty, which continue in full force and effect, except for the defect remedied by the Principal or by another Person contracted by the Principal.

4.4 The reasonable Cost of remedial work carried out by such other Persons including all reasonable Costs of the Principal shall be paid to the Principal by the Warrantor on demand.

5 Exclusions

The Principal agrees that the Warrantor is not liable for any defect or damage caused by:

(a) Wilful act or negligence of the Principal or any Person other than the Warrantor;
(b) Fire, explosion, earthquake, war, subsidence, and land slips;
(c) Any force of nature which the Warrantor could not have reasonably foreseen;
(d) Any neglect or unnecessary delay by the Principal in giving notice to the Warrantor of a defect in the Warranted Works becoming apparent;
(e) Design faults, errors, or discrepancies, unless the Warrantor undertook the design of the part of the Warranted Works that is the subject of the defect;
(f) Use of the Warranted Works by the Principal or any other Person in any manner or for any purpose not being the intended manner of use or purpose of the Warranted Works;
(g) Failure by the Principal or other Person to maintain the Warranted Works in accordance with good practice and any manufacturer’s stated or recommended instructions or requirements; or
(h) Fair wear and tear.

6 Assignment

The Principal may assign the benefit of this warranty to any Person.
7 Disputes

Any dispute between the Principal and the Warrantor arising out of this warranty is to be referred to arbitration before a sole arbitrator. If, within 15 Working Days of notice of dispute, the Principal and the Warrantor cannot agree on a single arbitrator, either party may request the President of the Arbitrators’ and Mediators’ Institute of New Zealand to appoint an arbitrator.

NOTE – The warranty shall be executed by the Warrantor and the Principal in the manner required for execution of a deed. Any of these parties which are a company shall execute the warranty by having it signed, under the name of the company, by two or more directors. If there is only one director, it is sufficient if the Warranty is signed under the name of the company by that director, but the signature shall be witnessed by another Person. The witness shall not only sign but shall also add his or her occupation and address. Alternatively, companies may execute under power of attorney. A company executing under a power of attorney must attach appropriate certificates of non-revocation of power of attorney. Any party which is a body corporate (other than a company) shall execute by affixing its seal, which shall be attested in the manner provided for in the rules of, or applicable to, the body corporate. In the case of a party who is an individual, the party shall sign and the signature shall be witnessed by another Person. The witness shall not only sign but shall also add his or her occupation and address.
Schedule 14 – Agreement for Off-site Materials

Contract for: [. . .], Contract Number CE1650

THIS AGREEMENT is dated the ……………day of ……………………….. 20……………….

BETWEEN The Secretary for Education (‘the Principal’)

AND [. . .] (‘the Contractor’)

AND …………………………………………………………………………………………………………………………….. (‘the Subcontractor’)

INTRODUCTION

A By a contract dated the ……………day of ……………………….. 20…………….… and known as ……………………………………………………………….......................... (‘the Contract’) made between the Principal and the Contractor, the Contractor agreed to carry out the work and obligations imposed on the Contractor by the Contract (‘the Contract Works’).

B The Contractor and the Subcontractor have entered into a subcontract for the performance of part of the Contract Works and/or the supply of Materials described in Schedule A to this agreement (‘the Materials’) and intended to be used by the Contractor and/or the Subcontractor in the Contract Works.

C The Contractor or the Subcontractor (as nominated in Schedule C) (‘the Bailee’) proposes to store the Materials at the premises of the Bailee (‘the Premises’) as identified in Schedule B as bailee for the Principal, for the purpose of storage, fabrication, sub-assembly, or as otherwise required for the Contract Works prior to being delivered to the Site for incorporation into the Contract Works.

D The Contractor has requested the Principal to authorise the Engineer to certify payment for the Materials notwithstanding that the Materials have not been delivered to the Site.

E The Principal has agreed to authorise the Engineer to certify payment for the Materials, notwithstanding that the Materials have not been delivered to the Site, subject to all the provisions of this agreement having been fulfilled.

SCHEDULE A

Description of Materials inclusive of work performed on them:

…………………………………………………………………………………………………………………………..

SCHEDULE B

The location in New Zealand at which the Materials will be stored is:

…………………………………………………………………………………………………………………………..
SCHEDULE C

‘The Bailee’ shall be:

☐ The Contractor OR ☐ The Subcontractor

IT IS AGREED as follows:

1. THE Materials to which this agreement relates are those described in Schedule A to this agreement, all of which Materials are currently on the Premises identified in Schedule B.

2. THE Premises identified in Schedule B are in the sole control of the party identified in Schedule C and that party shall act as bailee of the Materials until such time as the Materials are delivered to the Site or taken possession of by the Principal.

3. THE undertakings, warranties, covenants, agreements and other obligations of the Contractor or the Subcontractor shall bind and be deemed to have been given or assumed by each of them severally and by both of them jointly.

4. THE Contractor and the Subcontractor agree that they will cause the Materials to be set apart at the Premises and be clearly and visibly marked individually or in sets as being the property of the Principal and their destination as being the Site. The method used to mark the Materials and the procedures by which the mark is applied to the Materials shall be as required by the Contract or as otherwise approved by the Principal.

5. NEITHER the Contractor nor the Subcontractor will permit, allow, or cause the Materials to be taken away from the Premises, except:

   (a) For the purpose of being transported to the Site and used in the Contract Works; or

   (b) That the Principal may at its sole discretion take possession of the Materials for use other than for the Contract Works;

providing that:

   (c) Where the Principal takes possession of any Materials under clause 5(b) above, and the Contractor thereby suffers delay or the Contractor or the Subcontractor incurs additional cost, the taking of possession shall be treated as a Variation under the Contract, unless the taking of possession is pursuant to clauses 14.2.1 or 14.2.2 of the Contract; and

   (d) Where the Principal takes possession of any Materials under clause 5(b) above, and additional work has been carried out on those Materials since being paid for by the Principal, the Principal shall pay the Contractor for that additional work in accordance with the Contract before taking possession of the Materials.

6. THE Engineer, upon being satisfied that the Materials have been set apart and marked as required by this agreement, and upon the Contractor providing satisfactory evidence that the requirements of clauses 12 and 20 below have been fully satisfied, shall include in any Payment Schedule issued by the Engineer under the Contract a sum representing the reasonable value of such Materials calculated in accordance with the Contract.
7. UPON the Principal having made payment for the Materials, less any retentions or deductions prescribed in the Contract, title to such Materials shall immediately vest in the Principal free of all security interests, charges and encumbrances of any nature whatsoever.

8. WHERE the Contractor receives payment for Materials and the Subcontractor is entitled to some or all of the Principal's payment, the Contractor shall promptly pay the Subcontractor for such Materials.

9. UPON the request of the Subcontractor, the Engineer shall advise the Subcontractor whether the Contractor has received any payment from the Principal for such Materials.

10. THE Contractor and the Subcontractor agree that the Materials will be held by the Contractor or the Subcontractor solely as bailee for the Principal and such bailment will constitute a security interest in favour of the Principal for the purpose of the Personal Property Securities Act 1999 ('the PPSA').

11. THE Principal shall (at the Contractor's reasonable cost) register a financing statement on the Personal Property Securities Register ('the PPSR') listing the Principal as secured party and the Contractor and the Subcontractor as debtors for any security interest arising from the bailment of the Materials referred to in this agreement.

12. THE Bailee shall promptly do all things including executing any documents and providing all information which the Principal requires to ensure that the Principal receives and maintains at all times a first ranking security interest in the Materials. This shall include procuring from any third party who has registered a financing statement against the Bailee, a waiver, in a form acceptable to the Principal, of any security interest or claim which might otherwise extend to the Materials or their proceeds.

13. THE Bailee shall not discharge or amend any financing statement registered under clause 11 above without the prior written consent of the Principal.

14. NOTHING in sections 114(1)(a), 133, and 134 of the PPSA shall apply to this agreement.

15. ANY rights of the Contractor and the Subcontractor as debtors under sections 116, 120(2), 121, 125, 126, 127, 129, 131, and 148 of the PPSA shall not apply to this agreement.

16. THE Bailee hereby grants to the Principal reasonable, free, and unencumbered right of access to the Premises to:
   
   (a) Inspect the Materials, and verify or undertake the marking and setting apart of the Materials;
   
   (b) Take possession of the Materials for the purpose of delivery to the Site and inclusion in the Contract Works;
   
   (c) Remove the Materials from the Premises for the purpose of delivery to the Site and inclusion in the Contract Works; and
   
   (d) Take possession of the Materials for use other than for the Contract Works,

and in each case in a manner that does not cause damage to any other property at the Premises. The Bailee shall take all steps and do all things as shall be necessary to ensure that the Principal obtains access to the Premises for the purposes of this agreement.

17. THE Bailee shall not, except as permitted in clause 5, remove or cause or permit the Materials to be moved from the Premises. The Bailee shall nevertheless be responsible to the Principal for any loss or damage thereto and for any costs of storage or handling.

18. THE Bailee shall, when required to do so by the Contractor or the Principal, arrange for the transportation of the Materials to the Site. Such transportation shall be at the cost of the Bailee in all things including loading, unloading, and freight.
19. **WHERE** the Materials are not insured under the construction policy provided in accordance with 8.3.1 or 8.8.1 of the Contract, the Bailee shall, at its expense:

(a) Effect a material damage insurance policy covering all of the Materials subject to this agreement in the name of the Principal to the satisfaction of the Principal, as provided in 8.2.1 of the Contract for the full duration of the off-site storage. Such insurance may include an exclusion for loss or damage sustained during processing; and

(b) Effect a transit insurance policy for transit of all the Materials from the Premises to the Site in the name of the Principal to the satisfaction of the Principal, as provided in 8.2.1 of the Contract for the full duration of the off-site storage.

20. **WITHIN** 15 Working Days of the date of this agreement, the Bailee shall furnish the Principal and the Contractor with evidence of such insurance.

21. **THE** Bailee represents and warrants to the Principal and to the Contractor (where applicable) that:

(a) It has good and clear title to the Materials;
(b) It has the ability to assign and transfer the Materials to the Principal or the Contractor; and
(c) The Materials will be transferred to the Principal or the Contractor free of any security interest.

22. **THE** Bailee undertakes that, if it charges or mortgages all or any part of its property (either real or personal), assets, or undertaking, it will obtain written confirmation from the chargee or mortgagee that the charge or the mortgage over such property, assets, or undertaking does not extend to the Materials once they have been paid for by the Principal or the Contractor (as applicable).

23. **NOTHING** in this agreement shall be deemed to limit, waive, or affect the Engineer’s powers under the Contract to order the removal from the Site or the Premises of Materials which are not in accordance with the Contract and the substitution by the Contractor at its own risk and expense of proper Materials. Nothing in this agreement shall be deemed to limit, waive or affect any other powers conferred on the Engineer and/or the Principal under the Contract.

24. **EACH** party shall pay its own costs of and incidental to the negotiation, preparation, execution, and any amendment of this agreement.

25. **WORDS** and phrases in this agreement shall have the same meanings as are ascribed to them under the Contract except where the context or any express provision of this agreement requires otherwise.

Schedule 15 – Practical Completion Certificate

This Practical Completion Certificate is issued under 10.4.3(a) or 10.4.4.

Contract for {:. . .} (Contract Number CE1650)
Principal The Secretary for Education
Contractor {:. . .}

This certificate relates to:

☐ (a) The whole of the Contract Works referred to above;

☐ (b) The following Separable Portion ................................................................. (specify)

Receipt of the Contractor’s notice dated ...................................................... and issued in accordance with 10.4.2 is acknowledged.

In accordance with ☐ 10.4.3(a) or ☐ 10.4.4 (select one), the Engineer certifies that the Contract Works or Separable Portion to which this certificate relates qualify for a Practical Completion Certificate under 10.4, notwithstanding that there may be minor omissions and/or minor defects (as listed in the attached schedule) which satisfy the criteria in 10.4.1 (a), (b), and (c).

The Contractor is required to remedy all of the listed omissions or defects within the period stated in the attached schedule against the relevant omission or defect, or at the latest within........................ Working Days of the date of this certificate.

Practical Completion was achieved

on .................................................... (insert date) at ..................................................... (insert time).

Signed by the Engineer .........................................................................................

Name ....................................................................................................................

Date ....................................................................................................................

SCHEDULE

The following omissions and/or defects have been assessed as being of a minor nature satisfying the criteria in 10.4.1 (a), (b), and (c) and were identified during an inspection carried out by the Engineer or Engineer’s Representative on ................................................................. (insert date)

(list minor omissions and defects) ..............................................................................

..............................................................................................................................

..............................................................................................................................

Schedule 17 – Form of Continuity Guarantee

Contract for: {. . .} (Contract Number CE1650)

THIS DEED is made on ………………… day of ……………………………………… 20………………

BY ………………………………………………………………………………………………………. ('the Subcontractor')

IN FAVOUR OF The Secretary for Education ('the Principal')

IT IS MADE IN THE FOLLOWING CIRCUMSTANCES

A. By an agreement dated the ……. day of ………..…. 20……. ('the Contract') made between the Principal and {. . .} ('the Contractor'), the Contractor agreed to carry out the obligations imposed upon the Contractor by the Contract.

B. The Contractor has with the consent of the Principal subcontracted part of the work to be carried out under the Contract to the Subcontractor ('the Subcontract Works').

C. The Contractor has agreed to procure a continuity guarantee in respect of the Subcontract Works on the terms set out in this guarantee.

D. The Subcontractor has agreed to provide a continuity guarantee in respect of the Subcontract Works on the terms set out in this guarantee.

BY THIS DEED

1. THE Subcontractor agrees that in the event of the employment of the Contractor being determined under the Contract, the Subcontractor will, if required by the Principal, complete the Subcontract Works under the same conditions and for the same consideration as originally agreed between the Contractor and the Subcontractor. The Principal's obligations for payment under those conditions shall apply from the date of issue of the requirement by the Principal under this clause.

2. THE Subcontractor acknowledges that it has read and fully understands the provisions of the Contract.

3. ANY dispute between the Principal and the Subcontractor arising out of this guarantee, shall be referred to arbitration in accordance with the provisions of the Arbitration Act 1996 or any statutory re-enactment or modification of that Act.

4. THE dispute shall be referred to a sole arbitrator agreed by both the Principal and the Subcontractor. If the Principal and Subcontractor cannot agree then a sole arbitrator shall be appointed pursuant to the procedures set out in the Arbitration Act 1996.

In witness of which this deed has been executed and delivered.
NOTE – This guarantee shall be executed by the Subcontractor in the manner required for execution of a deed. If the Subcontractor is a company it shall execute the guarantee by having it signed, under the name of the company, by two or more directors. If there is only one director, it is sufficient if the guarantee is signed under the name of the company by that director, but the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address. Alternatively, companies may execute under power of attorney. A company executing under a power of attorney must attach appropriate certificates of non-revocation of power of attorney. Any party which is a body corporate (other than a company) shall execute in the same manner as a company by persons in a comparable position to a company director or otherwise in accordance with section 9 of the Property Law Act 2007. If the Subcontractor is an individual, the person shall sign and the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address.
Schedule 18 – Form of Contractor's Weathertightness Warranty

[Not used]

[Contract for: {. . .} (Contract Number CE1650)]

THIS DEED is made on ................................ day of ........................................ 20………

BY {. . .} ('the Contractor')

IN FAVOUR OF THE SECRETARY FOR EDUCATION ('the Principal')

IT IS MADE IN THE FOLLOWING CIRCUMSTANCES

A By an agreement dated the ................. day of .........................20 ......, (the Contract') made between the Principal and the Contractor, the Contractor agreed to carry out and complete the Contract Works.

B The Contract requires the Contractor to provide the Principal with a weathertightness warranty on the terms set out in this warranty.

C Words and phrases with capital initial letters that are not otherwise defined in this warranty shall have the same meaning as set out in the Contract.

BY THIS DEED

1. THE Contractor warrants that the Contract Works when completed shall be weathertight in accordance with the Contract and best New Zealand industry standards, and shall remain weathertight for a period of 10 years from the date of Practical Completion ('the Warranty Period').

2. THE Contractor indemnifies the Principal in respect of all costs, losses and liabilities incurred by the failure of the Contract Works to remain weathertight in accordance with the Contract and best New Zealand industry standards, or by any failure by the Contractor to meet its obligations under this warranty.

3. THIS warranty is in addition to and shall not derogate from any manufacturer's warranty or any warranty implied by law, attaching to any part of the Contract Works.

4. THE Contractor shall promptly takes steps to remedy or procure the remedy of defects and damage in the Contract Works arising from any failure of the Contract Works to remain weathertight in accordance with the Contract and best New Zealand industry standards, and which are notified in writing by the Principal to the Contractor during the Warranty Period.

5. ANY remedial work which the Contractor is required to undertake under this warranty shall be carried out:

   (a) to the standard required by the Contract;
   (b) to the reasonable satisfaction of the Principal;
   (c) without unnecessary inconvenience to any occupants;
   (d) at the Contractor's cost; and
   (e) subject to reasonable access being provided to the Contractor for the purpose of carrying out the Remedial Works.
6. **THE** Contractor shall make good any damage to buildings or structures in the vicinity of the Contact Works caused by:

   (a) a failure of the Contract Works to remain weathertight in accordance with the Contract and best New Zealand industry standards; or

   (b) any remedial works carried out by or on behalf of the Contractor under this warranty.

7. **THE** Contractor shall remedy the defects and damage notified by the Principal under this warranty within 14 Working Days of receipt of the Principal's notice or within such other reasonable time as determined by the Principal (at its discretion) as may be stated in writing in the Principal's notice under this clause.

8. **IF** the Contractor fails to adequately and satisfactorily carry out any work notified by the Principal under this warranty within the time required under clause 7, the Principal may, after giving 5 Working Days' further written notice to the Contractor, undertake the work itself or direct others to undertake the work. In such event:

   (a) the Contractor shall not be relieved of any of its obligations under this warranty; and

   (b) the cost of the work undertaken by the Principal or others (including without limitation labour, materials, travel and other charges or expenses related to the work) shall be recoverable by the Principal from the Contractor on demand.

9. **THE** Principal agrees that the Contractor is not liable for any defect or damage caused by:

   (a) wilful act or negligence of the Principal or any Person (other than the Contractor or any third party (including any Subcontractor) for whom the Contractor is responsible);

   (b) fire, explosion, earthquake, war, subsidence, and land slips, except where caused by a defect in the Contract Works or otherwise by the actions of the Contractor or any Person for whom, as between the Principal and the Contractor, the Contractor is responsible;

   (c) any force of nature which the Contractor could not have reasonably foreseen;

   (d) use of the Contract Works by the Principal or any other Person (other than the Contractor or any third party (including any Subcontractor) for whom the Contractor is responsible) in any manner or for any purpose not being the intended manner of use or purpose of the Contract Works; or

   (e) failure by the Principal or other Person to maintain the Contract Works in accordance with accepted practice (having regard to the relevant works and usual industry practice), and any manufacturer's stated or recommended instructions or requirements which have been brought to the attention of the Principal by the Contractor.

10. **NOTICES** given to the Contractor under this warranty are deemed to have been effectively served on the Contractor if given in accordance with the notice requirements in the Contract.

11. **THE** Principal may assign the benefits and rights under this warranty.

12. **THIS** warranty is governed by the laws of New Zealand.

In witness of which this deed has been executed and delivered.

NOTE – This warranty shall be executed by the Contractor in the manner required for execution of a deed. If the Contractor is a company it shall execute the warranty by having it signed, under the name of the company, by two or more directors. If there is only one director, it is sufficient if the warranty is signed under the name of the company by that director, but the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address. Alternatively, companies may execute under power of attorney. A company executing under a power of attorney must attach appropriate certificates of non-revocation of power of attorney. Any party which is a body corporate (other than a company) shall execute in the same manner as a company by persons in a comparable position to a company director or otherwise in accordance with section 9 of the Property Law Act 2007. If the Contractor is an individual, the person shall sign and the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address.]
[Schedule 19 – Form of Parent Company Guarantee]

Contract for: {. . .} (Contract Number CE1650)

THIS DEED is made on .................................. day of .................................. 20………………

BY [<To be completed>] (the Guarantor)

of [<To be completed>] (Address of Guarantor for service)

IT IS MADE IN THE FOLLOWING CIRCUMSTANCES

A {. . .} (the Contractor) has entered into an agreement with the Sovereign in right of New Zealand acting by and through the Secretary for Education (the Principal) to carry out and fulfil the obligations imposed on the Contractor (the Contract).

B The Contract requires the Contractor to deliver up this deed to the Principal.

C The Guarantor wishes to enter into this deed to enable the Contractor to comply with its obligations under the Contract, and in consideration of the Principal agreeing to enter into the Contract with the Contractor.

BY THIS DEED

1. IN this deed:

(a) the term Guaranteed Obligations means all actual or contingent indebtedness or obligations of the Contractor to the Principal arising out of or in relation to the Contract, and Guaranteed Obligation means any such indebtedness or obligation; and

(b) words and phrases that are not otherwise defined in this deed have the meanings set out in the Contract.

2. IN this deed, unless the context otherwise requires:

(a) paragraph headings are not to be used to construe this deed;

(b) words importing the singular number include the plural number and vice versa;

(c) words of any gender include the other gender and bodies corporate;

(d) a party includes its successors, permitted assigns and permitted novatees;

(e) except where expressly provided to the contrary all references in this deed to “including”, “includes” or “include” are to be read as if that reference is followed by the words “without limitation”;

(f) references to a clause or clauses will, unless otherwise specified, be a reference to the corresponding clause or clauses in this deed; and

(g) the rule of construction known as contra proferentem will not apply to this deed.
3. **IN** consideration of the Principal agreeing to enter into the Contract with the Contractor, the Guarantor:

   (a) guarantees to the Principal the payment of all Guaranteed Obligations in the same currency and at the same place and at the same time as each Guaranteed Obligation is payable by the Contractor;

   (b) guarantees to the Principal the performance of all Guaranteed Obligations at the same time and in the same manner as each Guaranteed Obligation is to be performed by the Contractor in accordance with the Contract; and

   (c) indemnifies the Principal for any loss suffered or incurred, directly or indirectly, by the Principal due to any failure by the Contractor to perform any Guaranteed Obligation in accordance with the Contract.

4. **IF** any Guaranteed Obligation, or any guarantee or indemnity in clause 3, is void or unenforceable for any reason, the Guarantor is liable to the Principal as a separate and independent obligation and by way of indemnity for the same amount and in the same currency as the Guarantor would be liable if the Guaranteed Obligation, or the guarantee or indemnity in clause 3, were not void or unenforceable.

5. **THE** Guarantor will make all payments due under this deed on demand.

6. **AS** between the Principal and the Guarantor, the Guarantor is a principal obligor in respect of each Guaranteed Obligation, with identical but separately enforceable Guaranteed Obligations to those of the Contractor. The Principal may demand payment from the Guarantor of any Guaranteed Obligation or the performance of any Guaranteed Obligation without first taking any steps or proceedings against the Contractor in relation to that Guaranteed Obligation or under any other security the Principal may hold from time to time.

7. **THE** rights of the Principal, and the liability of the Guarantor, under this deed are not to be affected, impaired or discharged by anything whatsoever which might otherwise affect, impair or discharge such rights or liability, nor is the Principal liable to the Guarantor in respect of any act or thing whether or not any of the Guarantor’s rights of subrogation or otherwise are prejudiced.

8. **WITHOUT** any way prejudicing the provisions of clause 7, the Principal, without the Guarantor’s consent, may:

   (a) vary the terms of any Guaranteed Obligations; and/or

   (b) compound with or grant time or other indulgences to the Contractor or to or for any other person or entity; and/or

   (c) deal with, exchange, release, modify, or not perfect or enforce, any encumbrance, security or right which the Principal now has or may in the future have against the Contractor or any other person or entity; and/or

   (d) novate any contract(s) to the Contractor.

9. **THE** rights of the Principal under this deed are in addition to and not in substitution for or reduction of the Principal’s rights under the Contract or at law or otherwise and no provision of this deed will be deemed to limit or restrict those rights.
10. **THE** Guarantor by this deed authorises the Contractor and the Principal to make any alteration, amendment or variation to the Contract and/or the Contract Works (as defined in the Contract), and agrees that any actual or contingent indebtedness or obligations of the Contractor arising out of or in relation to such matters will form part of the Guaranteed Obligations.

11. **THIS** deed is a continuing security. It cannot be discharged by payment of the whole or any part of any sums at any time owing by the Contractor to the Principal. It will only be discharged when all obligations, duties, liabilities, warranties and undertakings of the Contractor under the Contract have been satisfied and performed in full.

12. **THE** Guarantor will not exercise:

   (a) any right to prove in the bankruptcy, insolvency, administration or liquidation of the Contractor in competition with the Principal; or

   (b) any other right of a surety to discharge any liability; or

   (c) any right of subrogation or indemnity which the Guarantor may have against the Contractor, for so long as any Guaranteed Obligations remain outstanding.

13. **SUBJECT** always to clause 4 above, the Guarantor's liability under this deed will be no greater that the Contractor's liability under the Contract.

14. **IN** the event that the Principal brings proceedings against the Contractor, the Guarantor will be bound by any findings of fact as well as any interim or final award, determination or judgment made by an arbitrator or the court in such proceedings.

15. **ANY** dispute or difference between the Principal and the Guarantor arising out of this deed will be referred to arbitration in accordance with the provisions of the Arbitration Act 1996 or any statutory re-enactment or modification thereof. The dispute will be referred to a sole arbitrator. If the Principal and the Guarantor fail to agree on the appointment of a sole arbitrator within 15 days after receipt of the notice of dispute, the arbitrator will be appointed by the then President of the Arbitrators' and Mediators' Institute of New Zealand (or by his or her nominee).

16. **THE** Guarantor must not assign, charge or novate, whether in part or in whole, any of its rights, benefits or obligations under this deed without the prior written consent of the Principal (which it may or may not give at its discretion).

17. **THE** Principal may assign, charge or novate all or any part of its rights and/or obligations under this deed to any assignee, chargee or novatee of the Principal under the Contract or to any other Person without the Guarantor's consent. The Guarantor must, if and when requested by the Principal, promptly do all things and execute all such documents reasonably necessary to give effect to any assignment, charge or novation by the Principal, including in the case of a novation, entering into a deed of novation with the Principal and the relevant Person nominated by the Principal in a form required by the Principal.

18. **ANY** notice or document to be given under this deed must be in writing and may be given by hand, post or email to the party's address for service of notices set out in this deed.
19. EACH party must do or use its reasonable endeavours to cause to be done anything necessary or desirable to give effect to this deed and the arrangements set out in this deed, and will refrain from doing anything which might prevent full effect being given to this deed.

20. A waiver of any provision of this deed will not be effective unless given in writing, and then it will be effective only to the extent that it is expressly stated to be given. A failure, delay or indulgence by either party in exercising any power or right will not operate as a waiver of that power or right. A single exercise or partial exercise of any power or right will not preclude further exercises of that power or right or the exercise of any other power or right.

21. IF any one or more of the provisions contained in this deed is invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality and enforceability of the remaining provisions contained in this deed will not in any way be affected or impaired.

22. NO amendment or other modification of this deed will be effective unless it is in writing, is signed by a duly authorised representative of each party.

23. THIS deed may be executed in counterparts (including facsimile or electronic copies of counterparts) and provided that each party has duly executed a counterpart, the counterparts together will constitute a valid and binding deed between the parties.

24. THIS deed shall be governed by the laws of New Zealand, and without limitation or prejudice to clause 15 the parties irrevocably submit to the non-exclusive jurisdiction of the courts of New Zealand and any courts which have jurisdiction to hear appeals from any of those courts and waive any right to object to any proceedings being brought in those courts.

In witness of which this deed has been executed and delivered.

NOTE – This guarantee shall be executed by the Guarantor in the manner required for execution of a deed. If the Guarantor is a company it shall execute the guarantee by having it signed, under the name of the company, by two or more directors. If there is only one director, it is sufficient if the guarantee is signed under the name of the company by that director, but the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address. Alternatively, companies may execute under power of attorney. A company executing under a power of attorney must attach appropriate certificates of non-revocation of power of attorney. Any party which is a body corporate (other than a company) shall execute in the same manner as a company by persons in a comparable position to a company director or otherwise in accordance with section 9 of the Property Law Act 2007. If the Guarantor is an individual, the person shall sign and the signature shall be witnessed by another person. The witness shall not only sign but shall also add his or her occupation and address.
